**City of Bend**  
**Historic Landmarks Commission**  
**Historic Preservation Restoration Grant**

The City of Bend has received a grant from the State Historic Preservation Office to assist property owners with needed historic restorations. The Bend Landmarks Commissioner's restoration grant program will make these funds available to property owners of designated historic properties desiring to make exterior rehabilitation or restoration improvements.

Properties listed on the National Register of Historic Places, either individually or contributing to a historic district are eligible.

Restoration or rehabilitation work shall be located on the primary façade of the structure or on a façade that is highly visible to the public. Structural improvements to preserve the integrity of the structure may also qualify. Painting is not an eligible activity. All work must meet the *Secretary of the Interior's Standards for the Treatment of Historic Properties*.

<https://www.nps.gov/tps/standards/treatment-guidelines-2017.pdf>

Projects may receive 50% of the project cost up to a maximum of \$3,000 in grant funds, whichever is the lesser amount.

Projects must be completed by August 15, 2022.

If you are interested in applying for these grant funds, submit the Restoration Grant Application to the Community Development Department. The Bend Landmarks Commission staff in consultation with the Bend Landmarks Commission will review applications on a first-come, first-served basis. Applications and grant program guidelines are available at [www.bend@bendoregon.gov](mailto:www.bend@bendoregon.gov) or from the Community Development Department, City Hall 710 NW Wall Street, Bend.

Questions about the program or the application should be directed to Heidi Kennedy at 541-617-4524 or at [hkennedy@bendoregon.gov](mailto:hkennedy@bendoregon.gov).

**CITY OF BEND  
BEND LANDMARKS COMMISSION  
HISTORIC PRESERVATION RESTORATION GRANTS**

The City of Bend has received a grant from the State Historic Preservation Office to assist property owners with needed historic restorations. The Bend Landmarks Commission's restoration grant program will make these funds available to property owners of designated historic buildings desiring to make exterior rehabilitation or restoration improvements. The conditions of this program require that all improvements and projects be in keeping with the architectural integrity of the structure.

Questions about the program or the application should be directed to Heidi Kennedy at 541-617-5424 or by email at [hkennedy@bendoregon.gov](mailto:hkennedy@bendoregon.gov).

The process and eligibility for participating in this program is as follows:

1. Eligibility:

- a. Properties listed on the National Register of Historic Places, either individually or contributing to a historic district are eligible.

2. Projects:

- a. Restoration or rehabilitation work shall be located on the primary façade of the structure or on a façade that is highly visible to the public. Structural improvements to preserve the integrity of the structure may also qualify.
- b. Design and materials shall be in keeping with the architectural integrity of the structure. Contemporary materials such as vinyl and fiber cement boards are not eligible for grant funding.
- c. Additions or non-historic alterations are not eligible.

3. Application:

- a. Complete the Restoration Grant Application and submit it to the Community Development Department – Heidi Kennedy. City staff will review the applications on a first-come, first-serve basis.
- b. Include copies of at least two bids with the application, or provide a written explanation of why only a single bid was warranted. Property owners may do the work themselves; however, only the cost of materials will be funded by the grant if work is performed by the owner and not by a licensed contractor.
- c. Detailed plans of the proposed work, photos (digital photos preferred) of the façade prior to work, specifications, and any manufacturer's product information shall be submitted with the application.

4. Review, Approval and Conditions:

The City will review and approve projects that are in keeping with the historic integrity of the structure, subject to the following conditions:

- a. Historical restoration and restoration projects will be given priority over

periodic maintenance-type projects. For example, a project to restore architectural details such as transom windows or to remove contemporary alterations will be given priority over the installation of awnings. Conditions of approval may be applied to a project.

- b. Grants shall not be awarded for work that is completed. Secondary considerations may be given and grants awarded for recently purchased materials and for work already in progress only if all grant funds have not been awarded prior to February 15, 2022.
  - c. Projects may receive 50% of the project cost or up to a maximum of \$3,000 in grant funds, whichever is the lesser amount. (Example: A project of \$2,000 would be eligible to receive a \$1,000 grant or 50% of the project cost. A \$10,000 project would be eligible to receive a maximum \$3,000 grant.)
  - d. Grant recipients are required to display a sign (available from the Community Development Department) identifying the project as having received grant funding. The sign shall be displayed during construction and for one month after the project is complete.
  - e. Projects must be completed by August 15, 2022. Funds shall be distributed to the owner (not the contractor) upon completion of the project. All grant funds shall be distributed by August 31, 2022.
  - f. Grants may be considered taxable income. Grant recipients will receive an IRS 1099 form and may be required to report the income on their tax returns.
  - g. Grant recipients shall take photographs during the project showing the work in progress. Submittals should include photographs of people doing the work.
  - h. Grant recipients shall enter into a Preservation and Maintenance Agreement with the following conditions:
    1. The Owner agrees to assume the cost of the continued maintenance and repair of the property so as to preserve the architectural, historical or archeological integrity of the same in order to protect and enhance those qualities that made the property eligible for listing as a Historic Resource.
    2. The Owner agrees that no visual or exterior structural alterations will be made to the property without prior written permission of the Bend Landmarks Commission.
    3. The Owner agrees that the State and City of Bend, its agents and designees shall be have the right to inspect the property at all reasonable times in order to ascertain whether or not the conditions of this agreement are being observed.
    4. The Owner agrees that the property shall remain a designated resource for at least five (5) full years following completion of the project. If the property is removed or delisted during this time, the grant shall be repaid in full to the City.
  - i. Grant recipients shall contact the Community Development Department when the proposed work actually begins, and when the project is complete. A staff member will inspect the work when the project is completed.
  - j. Grant recipients shall obtain any necessary City or Building permits prior to start of work.
5. Grants are awarded on a first-come, first-served basis. The decision of the City staff concerning grant awards is final.
  6. Payment of grant amounts shall be made after all work is complete. Grant recipient

shall submit copies of receipts and contractor's payments, photographs of the work in progress, and photographs of the completed work. Digital photos are preferred. Payment requests shall be submitted no later than August 15, 2022.
