5. Bend MPO Boundary Adjustments Tyler Deke & Andrea Napoli

Background: After each Census, the Census Bureau adjusts the Urbanized Area (UZA) boundary for each MPO to reflect population growth and land use changes. The MPO boundary must include all areas identified within the UZA. It should also include areas that may become urbanized over the next 20 years. The Bend MPO boundary needs to be amended to include new UZA lands identified through the 2020 Census and future growth areas identified in City of Bend planning documents. MPO staff will review the new UZA area and potential changes to the MPO boundary.

Attachments: Memo (**Attachment C**) and Frequently Asked Questions (**Attachment D**)
