

Turf Replacement Rebate Workshop

January 11th, 2025 | 10:00a.m.- 11:30 a.m.

Utilities Annex | 62975 Boyd Acres Rd., Bend, OR

Join us for an informative workshop on replacing your lawn with a beautiful, low-water use landscape! Learn how to take advantage of the Turf Replacement Rebate available in Spring 2025. This workshop will equip you with everything you need to plan and execute a successful project. Bring your questions and get ready to transform your landscape!

What You'll Learn:

- Rebate requirements
- Low-water use plants
- High-efficiency irrigation
- And much more!

The event will be offered in person and online, registration requested:

<https://forms.office.com/r/bHjYp6wYym>

Can't attend? The event will be recorded and made available for those unable to join live.
