Committee Assignment

Present recommendations to Bend City Council **on fair and cost-effective solutions** to bring sewers to unsewered neighborhoods in Southeast.

Committee Values

1. A timely decision that can be implemented within 10 years.
2. Solutions that property owners understand and support.
3. Durable solutions that will be effective for 50 years or more.
4. Solutions that are equitable, fair and affordable.
5. A financially feasible plan.
6. Shared responsibility between the city and property owners.
7. A reasonable and practical plan.
8. A plan that is replicable for other unsewered areas in Bend.
