

RESOLUTION NO. 3131

A RESOLUTION RESCINDING RESOLUTION NO. 2688 REGARDING
MUNICIPAL COURT JUDGE COMPENSATION

Findings:

- A. Resolution No. 2688 was adopted on May 7, 2008, setting municipal court judge compensation at \$500 per court session.
- B. City of Bend Charter Section 25(8) provides that the City Council shall establish and may adjust the compensation of the judge. The Charter does not call for compensation to be established or adjusted by a specified process.
- C. On May 16, 2018, the City Council unanimously passed a motion to authorize the City Manager to sign an agreement with the current municipal court judge for another two-year term with compensation to be set at \$600 per session and for payment for judicial training during times when court would normally be in session.
- D. For greater efficiency and ease of process, the Bend City Council desires to rescind Resolution No. 2688.

Based on these findings, the City Council of the City of Bend resolves as follows:
