## DONT'S

Backing into an angled parking stall is not ok in Bend.

Your Car should fit into the space. A space is marked by those white lines at the sides and end.

## PARKING TICKETS

Have fun in Bend and avoid getting a parking ticket. However, if you receive a ticket, you have 10 days to act. You have a few options for making payment, all stated on the back of the ticket.

If you believe you were issued the ticket in error and want to appeal the ticket, you can appeal your citation and request an administrative hearing.
