The following process will be used in the City's review and selection of funding proposals for the City's AFFORDABLE HOUSING FUND assistance for program year 2022.

1. City staff will review each proposal to determine:
 - **Whether the proposal is complete, based on the requirements of this Request for Proposals (RFP),**
 - **Whether the project is eligible for AFFORDABLE HOUSING FUND under City of Bend's AFFORDABLE HOUSING FUND Program requirements, and**
 - **Whether the project is consistent with the goals and funding priorities outlined in the City of Bend Consolidated Plan.**

Detailed information regarding the above requirements is contained in this RFP.

2. Proposals will then be reviewed and evaluated by the City of Bend Affordable Housing Advisory Committee. The evaluation criteria that will be used by the Committee in reviewing proposals are contained in Section 5.

The Advisory Committee will score project proposals according to the following formula:

- Project proposals will receive up to 10 points for each of the general criteria outlined in Section 5.2. The maximum score any proposal may receive in this section is 100 points.
- Projects may receive additional points if they meet one of the funding priorities identified in Section 5.3.
 - Projects addressing one of the needs identified as "high priority" will receive an additional 10 points;
 - Projects addressing one of the needs identified as "low priority" will receive an additional 5 points.

Projects meeting none of the priority needs will receive no additional points. Projects may fall into only *one* of the above categories.

Projects will be awarded additional points based upon amount of funding that they leverage (percentage of Affordable Housing Fund to total project costs per affordable unit).

 - Projects with repayment schedule greater than 20 years: 0 points
- Based on the formula outlined above, the maximum number of points any project proposal may receive is 200 points.

- In addition Staff and Committee will review all applications for project feasibility, budget, impact of City Affordable Housing Fund on project budget, and total unit cost (to ensure affordability).

During the proposal review period, applicants will be invited to deliver a virtual presentation on their project proposal to the Advisory Committee. Applicants will be allowed approximately 5 minutes to present their proposals, followed by a 5 minute question and answer session.

City staff will have an opportunity to make a formal recommendation to the Advisory Committee regarding project funding eligibility before the Advisory Committee finalizes its funding recommendations.

4.1 City of Bend Consolidated Plan Goals

All activities funded through the City's AFFORDABLE HOUSING FUND program must be consistent with Goal One, Three, Four, and Five City of Bend's 2019 -- 2023 Consolidated Plan:

- Goal #5: Infrastructure Improvements – develop affordable housing infrastructure in low to moderate-income neighborhoods with a focus on increasing affordable housing with public infrastructure improvements.**

4.2 Program Area Objectives

Through the Consolidated Plan process, the City has identified specific objectives for achieving the goals outlined in the Consolidated Plan. Throughout the 5-year Consolidated Plan period, AFFORDABLE HOUSING FUND assistance will be directed toward projects that meet these objectives.

The objectives associated with each Consolidated Plan goal are outlined below:

Goal #1: Create and Preserve Affordable Rental Housing - produce and preserve rental affordable housing through creation of new rental units, providing land for development of rental units, rental assistance, and obtaining rental units to keep them affordable.

Funding will be directed toward activities that produce and preserve both rental affordable housing. Consideration will be given to activities that accomplish at least one of the following:

- Aid in the production/rehabilitation/preservation of rental housing through such strategies as property acquisition for affordable housing, the opportunity for public/private partnerships to provide mixed use/mixed income housing, or low-interest rehabilitation financing for low- and moderate-income residents.
- Limit or not undertake those activities that require permanent displacement or relocation of current occupants from their homes/rental units in order to create additional affordable housing, thus potentially compounding the affordable housing situation.

Goal #3: Homeownership - produce and preserve owner occupied affordable housing through creation of new homes, development of new homes, homeownership financial assistance, and obtaining homes to keep them affordable.

Funding will be directed toward activities that produce and preserve owner-occupied affordable housing. Consideration will be given to activities that accomplish at least one of the following:

- Support homeownership through direct homebuyer assistance, such as down payment assistance, homebuyer counseling, low-interest second mortgages for low- and moderate-income homebuyers and partnerships with builders/developers seeking to provide affordable homeownership.
- Limit or not undertake those activities that require permanent displacement or relocation of current occupants from their homes/rental units in order to create additional affordable housing, thus potentially compounding the affordable housing situation.

Goal #4: Assist Homeless with Shelter - increase the number and preserve homeless shelter units while increasing the community capacity for a low-barrier emergency facility where homeless individuals with certain criminal convictions and addictions can have shelter.

Funding will be directed toward activities that support the city's homeless and special needs populations. Consideration will be given to activities that accomplish at least one of the following:

- Work to tie homeless and special needs services to affordable housing development for homeless and special needs populations, particularly individuals with substance abuse problems, individuals with severe, persistent mental illnesses, and homeless families.
- Monitor existing programs to ensure that city-funded programs utilize existing services wherever possible and do not duplicate existing services.

Goal #5: Infrastructure Improvements –focus on increasing affordable housing with public infrastructure improvements.

Funding will be directed toward activities that address infrastructure needs that are tied to affordable housing.

- Support focused street, water, sewer and other infrastructure developments to aid in the development or preservation of affordable housing in the city.

4.3 City of Bend Policy on Grants and Loans

In order to allow the AFFORDABLE HOUSING FUND program to grow over time and to have a greater long-term impact on the community, the City of Bend has a policy of providing AFFORDABLE HOUSING FUND assistance in the form of loans. Loans shall be provided through one of the following terms:

- Loans shall be provided through one of the following terms:
- Homebuyer Assistance—silent non-amortizing for 30 years. In year 31, becomes fully amortized at 5% for a term of 10 years. Repaid by year 40. Repaid upon transfer or affordability non-compliance.
 - Acquisition for land trust - 20 year at 0% interest with terms revisited at year 20
 - Acquisition, construction, rehabilitation, clearance of land, infrastructure - 40 year amortizing at 1%
 - Acquisition, construction, rehabilitation, clearance of land, infrastructure - silent non-amortizing for 10 years. In year 11, becomes fully amortized at 3% for a term of 30 years. Repaid by year 40.
 - Shelters and community service facilities - due upon sale, refi, or non-compliance, 0% interest

All loan recipients may request shorter repayment timeframes without pre-payment penalty. Developments repaying within 5 years may qualify for 0% interest, with the approval of AHAC and City Council.

Under extraordinary conditions, and after all other project funding has been secured, the Affordable Housing Advisory Committee may approve modifications of the above terms to accommodate a project's specific needs. Modifications may include:

- Loans may be negotiated for interest rates or terms lengths other than the standard loan terms noted above.
- Projects may receive funding in the form of deferred payment loans due upon sale or transfer of the property.

Such modifications will only be allowed if it can be shown that the City's standard terms regarding grants and loans would cause undue hardship to the applicant or would preclude the successful implementation and/or completion of the project. It is the responsibility of the project applicant to provide sufficient evidence to the City that the requested modifications are necessary in order for the project to be completed.

5. Evaluation Criteria and Funding Priorities

The evaluation criteria outlined in this section have been developed to be consistent with priorities of the City of Bend 2019 -- 2023 Consolidated Plan, and City's AFFORDABLE HOUSING FUND priorities. All proposals will be reviewed using these criteria.

Only those projects addressing Goals One, Three, Four, and Five identified in the Consolidated Plan (listed in Section 4.1 above) and at least one of the objectives associated with these goals (listed in Section 4.2 above) will be considered for AFFORDABLE HOUSING FUND assistance. Please review the Consolidated Plan goals and objectives to ensure that your project is consistent with these goals and objectives before submitting a project proposal.

5.3 City of Bend Funding Priorities

To assist with the allocation of resources in meeting the above goals, the City has established the following funding priorities. While the City recognizes that all of the objectives identified in the Consolidated Plan are critical issues for the City to address over the 5-year Consolidated Plan period, project proposals addressing higher priority needs will score higher.
