

Stormwater Public Advisory Group

Proposed Agenda

Wednesday, July 21, 2021

8:00 AM –10:00 AM

Special Newport Corridor Project Field Trip

Meet at Drake Park Stage (777 NW Riverside Blvd, Bend)

CITY OF BEND

- I. **Welcome, Introductions and Announcements**, Wendy Edde, All, 8:00-8:10 AM (5 minutes)
Objectives: Introductions. Review agenda, previous meeting summary, status updates related to recent and summer activities. Review safety reminders.
- II. **Monitoring Stormwater on the Deschutes River**, Jeff Buystedt, 8:10 AM – 8:25 AM (15 minutes)
Objectives: As we walk over towards the Newport Corridor construction area, we will visit one of stormwater monitoring stations on the Deschutes River and receive an overview of the monitoring program from Jeff Buystedt related to both ambient water quality monitoring efforts and flow control monitoring conducted for the Newport Corridor project.
- III. **Newport Corridor Project Tour**, Drew Wells, Brittany Barker and Team, 8:25 AM-9:30 AM+ (1-1.5 hours)
Objectives: The remainder of our day will be touring the stormwater and associated public works facilities being installed as part of the Newport Corridor project. This is an active construction site so dress accordingly.
- IV. **Adjourn**
