Agenda Item # 5: Public Participation Plan Adoption – Andrea Napoli

Introduction

- Request: Consider adoption of the updated BMPO Public Participation Plan
 - Federally-required plan
 - Purpose: To establish a documented process for providing interested parties with reasonable opportunities to be involved in MPO processes.
 - Last updated in 2009 and amended in 2013
 - Staff has completed the update process for the Draft Plan

Focus Points of Plan Update

- Confirm any changes in fed/state legislation re: public participation and MPOs
- Build off recently updated Title VI Plan (non-discrimination and equity)
 - Concerted outreach to community organizations during plan development
- Document newer, successful public outreach processes and tools currently used, or to be used in the future

Completed Review Activities for Draft Plan

- Federal and State Partner review – FHWA, FTA, ODOT
 - Two comments, no concerns raised
- 45-day Public Comment Period advertised
 - Comments received: use of acronyms; officials not listening to public input; bike/ped safety at Empire/Hwy 97; all MPO items must be produced in other languages
- BMPO Policy Board review – May 18th public meeting
- BMPO TAC review – June 2nd public meeting, ***recommended approval***

All comments and responses documented in Appendix C of Plan (in agenda).

Changes Since May Policy Board Review

- Minor language edits
- Added Appendix C: Comment Log
- Content otherwise unchanged from May Policy Board presentation
 - *Introduction* – purpose of plan, fed/state requirements
 - *MPO Structure and Processes* - MPO responsibilities, make-up of board/committees
 - *Public Outreach and Engagement Methods* – identifies approaches and strategies with actions/tools to implement them
 - *Procedures for BMPO Plans and Programs* – procedures and tools to be used for specific MPO work products

Adoption Consideration

- Suggested motion language, “I move to adopt the Bend MPO Public Participation Plan by way of Resolution 2021-4”
- Final draft in agenda packet and at www.BendMPO.org

Agenda Item # 8: OMPOC Legislative Priorities – Tyler Deke

OMPOC Legislative Priorities

- Oregon MPO Consortium (OMPOC)
 - Forum for Oregon's MPOs to work together on matters of mutual interest and statewide significance
 - Includes 2 elected officials from each MPO
 - <https://www.ompoc.org/>
- April 30 meeting
 - Directed staff to develop a priority position paper that could be used to advocate for allocation of federal funding
- July 30 meeting
 - Reviewed and revised draft legislative policy position paper

OMPOC Legislative Priorities

- Draft paper includes 5 broad goals
 - Fund bicycle, pedestrian and public transportation projects & planning
 - Use transportation investments to reduce greenhouse gas emissions from the transportation sector, improve safety, and increase the resiliency of the transportation system
 - Transportation investments support improved outcomes for everyone, particularly people of color and low-income populations
 - Invest locally and support local engagement, direction, and planning of the transportation system
 - Improve transit access, impact, and help build more transit projects

OMPOC Legislative Priorities

- Input from other MPOs
 - Salem/Keizer: Provide funding to support the development of affordable intercity/intercommunity public transportation options, to allow greater access to goods, services, and employment opportunities that are too often lacking in smaller communities
 - Medford/Ashland: concern about one item specific to the MPOs with air quality issues
 - Albany: ensure smaller and more rural community needs are included in policy and programming decisions

OMPOC Legislative Priorities

- Questions or comments? Additions?
- Action Requested: Consider support of the draft OMPOC legislative priorities document
- Recommended Language for Motion: I move Bend MPO Policy Board support of the draft OMPOC legislative priorities document
