

Infrastructure Work Scheduled in Your Neighborhood

WHAT TO EXPECT DURING CONSTRUCTION

- A one-week full road closure of Brosterhous Rd. to vehicle traffic at the railroad crossing between Murphy Rd. and Knott Rd. will be required. Use signed detour. (See map at right.)
- The northbound lane of Brosterhous Rd. will remain closed to vehicle traffic through the end of December. (See map at right.)
- Access to pedestrians and bikes will remain **open** during both the full road and lane closures.
- Construction hours 7 a.m.–5 p.m. Monday–Friday.
- During construction, heavy equipment will be operating close to residences. Please stay safe and keep children and pets away from the construction area.
- Access for emergency vehicles will remain **open** at all times.

Visit bendoregon.gov/murphyproject for closure dates and to sign up to receive email updates.

MID-OCT TO END OF DEC | BROSTERHOUS SIDEWALK AND SEWER LINE IMPROVEMENTS

Building on our past. Serving the present. Shaping Bend's future.

INFRASTRUCTURE IMPROVEMENTS

The City of Bend will begin construction on a sidewalk and sewer extension project under the railroad bridge on Brosterhous Rd. between Murphy Rd. and Knott Rd. This project is estimated to begin in Mid-October with completion by the end of December 2021.

The project includes installation of a shared use path sidewalk for pedestrians and bikes under the railroad bridge that will connect to existing sidewalks to the north and south. Also included in the work is an extension of the sewer line within Brosterhous Rd.

Road closure will be required during construction. See map and details on back.
