

CITY OF BEND

## COMMERCIAL PARKLET LICENSE AUTHORIZATIONS

### What is a Commercial Parklet?

A commercial parklet provides a small outdoor seating area in on-street parking spaces, a loading zone, or alley space, as applicable, adjacent to the restaurant, bar, or retail business, for use for longer than one week. Commercial parklets are generally one or two parking spaces long, although they can stretch for more spaces depending on a business's frontage length. Commercial parklet operators must obtain a Commercial Parklet License and comply with this handbook, City design standards, and other City requirements. More information about this new program is available online at [www.bendoregon.gov/parklets](http://www.bendoregon.gov/parklets).

### Who needs to authorize a commercial parklet in the downtown district?

- The owner of the business applying for the Commercial Parklet License
- The property owner of the business that is applying for the Commercial Parklet License
- Any other owners of businesses that will be impacted by the commercial parklet area
- The property owners of any other businesses that will be impacted by the commercial parklet license area

### Property Owner Authorization

As the owner(s) of the subject property, I (we) hereby grant permission for this business to construct a commercial parklet adjacent to the property, subject to City approval of this license.
