CITY OF BEND
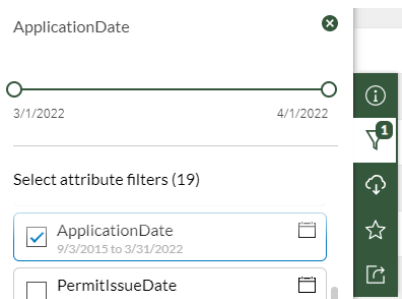

Download Permitting Applications Received or Issued Data from the City of Bend Open Data Portal

Use these instructions to download data from the Permitting Applications Received report or the Permitting Applications Issued report from the City of Bend's Open Data Portal.

STEPS

1. Open the Permits and Contractors Table
   - https://data.bendoregon.gov/datasets/bendoregon::permits-and-contractors-table/explore

2. Click the Filter Data button.

3. Put a checkmark next to Application Date and change the date range for Permitting Applications Received. NOTE: When selecting your end date, you must add one day to your selection. For example, to download permits for March 2022, the appropriate date range would be 3/1/2022 to 4/1/2022.

4. Put a checkmark next to PermitIssueDate and change the date range for Permitting Applications Issued. NOTE: When selecting your end date, you must add one day to your selection. For example, to download permits for March 2022, the appropriate date range would be 3/1/2022 to 4/1/2022.
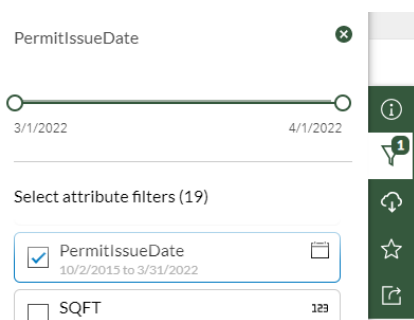

5. Scroll up or down to find PermitTypeCode and click in the box to put a checkmark next to PermitTypeCode. Click in the box next to BLDG to put a checkmark next to BLDG.
