DEPARTMENT UPDATES

Bend Fire Monthly Accountability Review

The [Bend Fire Department's Accountability Review](#) is complete for May 2022. Response times are holding at our goal as we leave the spring shoulder season to summer which is our busiest time.

Rivers Edge Pump Station Project Kudos!

Below is an email received from a resident referencing the Rivers Edge Pump Station, which was part of the 2019 CSEP Project. Congratulations to the team for a job well done!

“Dear Mr. Murray..... I know I speak for everyone on Quiet River Lane.....Your team pulled off a great project! Having been involved in construction projects during my military career, I know how important it is to have pieces of the project come together at the right time....you folks did that extremely well and kept us informed if there was going to be a change of schedule that might affect through traffic. Please extend our personal thanks to each member of your team.”
