DEPARTMENT UPDATES

Bend Fire Monthly Accountability Review

[The Bend Fire Department's Accountability Review](#) is complete for July 2022. Bend Fire eclipsed 13,000 calls for the first time in our history for the last fiscal year. The wet spring has resulted in a decrease in our fire calls for June, but the EMS call volume increase has more than made up for the reduction.

PROJECT AND PROGRAM UPDATES

Infrastructure Funding: Tracking & Status Update

Sarah Hutson, Senior Management Analyst in the City Manager's Office, prepared a status update regarding her efforts to track potential infrastructure funding at the state and federal level. Currently, the two main focus areas include pursuing funding for the midtown crossing and another potential program for rail crossing elimination that could target some additional funding for the Reed Market Bridge. Big thanks to Sarah for all the contacts and discussions she has participated in regarding this topic.

Please read the full [Infrastructure Funding Status Memo](#) for further details.

PUBLIC AGENCY AND COMMUNITY PARTNER UPDATES

Awarded ARPA Community Assistance Grants Update

To date, \$330,000 in ARPA Community Assistance Grants have been distributed to seven local non-profit organizations providing services to community members negatively impacted by COVID-19. Next week's Stewardship Subcommittee meeting, scheduled for Monday, July 25th, at 11:30 AM, will include a brief update on the use of the ARPA Community Assistance Grants by these organizations.

Please see this [one-page report visual](#) to see the positive impact these funds have had on our community so far.
