

# Ferguson Road Eastbound Closure Detour Plan

CITY OF BEND

## Project Summary

The Ferguson Sewer Improvement Project will decommission two sewer pump stations and install gravity sewer on Ferguson Road. The project will reduce operational and maintenance costs, improve safety, decrease odors, and provide sewer to 13 properties served by private onsite septic systems.

## Anticipated Project Timeline

January 2023 – September 2023

## What to Expect During Construction

- Eastbound closure on Ferguson Road
- Reduced speed, congestion and traffic delays
- Trucks entering and exiting the roadway
- Noise, vibration and dust
- Local access and access for emergency vehicles will be provided
