

Awbrey Butte Waterline Improvement Project

PHASE 2 CONSTRUCTION, SUBPROJECT 2 DETOURS: JANUARY 2024-SPRING 2025

CITY OF BEND

Waterline will be constructed over multiple phases with stages to minimize traffic impacts. Short durations (up to two weeks) for periodic asphalt and concrete restoration work expected through Spring 2025. Local access and access for emergency vehicles will be provided.

STAGE 2

Mid February 2024-April 2024
Installation of waterline. Full closure of Portland Avenue between Ninth Street and Fifth Street. Two-way traffic detour routed via Newport Avenue.

STAGE 1

Mid January 2024-Mid February 2024
Prep for waterline. Full closure of Portland Avenue between Wall Street and Awbrey Road. Two-way traffic detour routed via Awbrey Road.

Stage 3 will be constructed on Portland Avenue between Fifth Street and Steidl Road between November 2024-Spring 2025. Detour information will be shared prior to construction.
