PORTLAND AVENUE

9TH STREET

5TH STREET

AWBREY ROAD

1ST STREET

STEIDL ROAD

WALL STREET

### STAGE 2: MID FEBRUARY-APRIL 2024

Installation of waterline. Full closure of Portland Avenue between Ninth Street and Fifth Street. Two-way traffic detour routed via Newport Avenue.

### STAGE 3: NOVEMBER 2024-SPRING 2025

Installation of waterline. Full closure of Portland Avenue between Fifth Street and Steidl Road. Two-way traffic detour routed via Newport Avenue.

### STAGE 1: MID JANUARY-MID FEBRUARY 2024

Rehabilitation of existing waterline crossing Portland Bridge. Full closure of Portland Avenue between Wall Street and Steidl Road. Two-way traffic detour routed via Awbrey Road.

Please be advised advanced traffic control measures will be in effect in December 2023 to facilitate the relocation of franchise utilities. Short durations for periodic asphalt and concrete restoration work expected through Spring 2025.
