THIS LOAN AGREEMENT is made and entered into as of the date it is fully executed by both parties (and in the case of the State, approved by the Attorney General's Office, if required) and is by and between the **State of Oregon, acting by and through its Department of Environmental Quality ("DEQ")**, and the **Borrower** (as defined below). Unless the context requires otherwise, capitalized terms not defined below shall have the meanings assigned to them by ARTICLE 8 of this Loan Agreement. The reference number for the Loan made pursuant to this Loan Agreement is Loan No. R14529.

DEQ agrees to make, and Borrower agrees to accept, the Loan on the terms and subject to the conditions set forth below.

ARTICLE 1: THE LOAN - SPECIFIC TERMS

DEQ agrees to make the Loan on the following terms and conditions:

- (A) **BORROWER:** City of Bend.
- (B) **BORROWER'S ADDRESS:** 710 NW Wall Street
Bend, Oregon 97703
- (C) **LOAN AMOUNT:** \$750,000
- (D) **TYPE AND PURPOSE OF LOAN.** The Loan is a "Revenue Secured Loan" made by DEQ pursuant to OAR Section 340-054-0065(2) for the purpose of financing the Project.
- (E) **PROJECT TITLE:** City of Bend WRF Facilities Plan Update
- (F) **DESCRIPTION OF THE PROJECT:** The Borrower's most recent Water Reclamation Facility Facilities Plan was adopted in 2008. With industry best practice recommendations of updating facility plans every 5-years, the Borrower is due for an update. Additionally, the Borrower continues to experience rapid growth and has recently completed an Urban Growth Boundary expansion, annexing in additional land that is currently without sewer service. Major components of the planning effort will include the following: stakeholder engagement, performance testing, growth projections, assessment of existing facilities and capacities, and exploration of options for handling fats, oils and grease. The ultimate goal of completing the Facilities Plan Update is to produce a 5-, 10-, and 20-yr Capital Improvement Plan (CIP) that lists various projects and the time-frame in which they need to be completed.
- (G) **INTEREST RATE:** Zero and 53/100 percent 0.53%) per annum. Calculation of interest is also discussed in ARTICLE 2(E) and in ARTICLE 2(F)(4) of this Agreement.
- (H) **REPAYMENT PERIOD:** Ending no later than (a) Five (5) years after the Completion Date or (b) Five (5) years after the estimated Completion Date set forth in ARTICLE 3(A)(10), whichever date is earlier.

(I) **TERMS OF REPAYMENT:** An interest-only payment six months after the estimated Project Completion Date set forth in ARTICLE 3(A)(10) and thereafter semi-annual payments of principal and interest in accordance with Appendix A and ARTICLE 2(F) of this Agreement.

(J) **PLEDGE:** The Borrower hereby irrevocably pledges its Net Revenues to secure payment of and to pay the amounts due under this Loan Agreement. The Net Revenues so pledged and hereafter received by the Borrower shall immediately be subject to the lien of such pledge without physical delivery or further act, and the lien of the pledge shall be superior to all other claims and liens whatsoever, to the fullest extent permitted by ORS 287A.310. The Borrower represents and warrants that the pledge of Net Revenues hereby made by the Borrower complies with, and shall be valid and binding from the date of this Agreement pursuant to, ORS 287A.310. The Borrower covenants with DEQ and any assignee of this Agreement that except as otherwise expressly provided herein, including, without limitation Section K below, the Borrower shall not issue any other obligations which have a pledge or lien on the Net Revenues superior to or on a parity with the pledge herein granted without the written permission of DEQ. The lien of this pledge is on a parity with the liens securing all other CWSRF loans between DEQ and the Borrower; provided, however, that this provision shall not affect the priority that prior CWSRF loans are entitled to in relation to any loans between Borrower and any third parties.

(K) For purposes of the Borrower's Master Sewer Revenue Bond Declaration, dated as of September 1, 2020 (as supplemented from time to time, the "Master Declaration") and with respect any Bonds, Additional Bonds or Subordinate Obligations issued pursuant to the terms and conditions of the Master Declaration, the Loan shall constitute a Subordinate Obligation paid from the Subordinate Obligations Account created by the Master Declaration. For purposes of this paragraph, capitalized terms not otherwise defined herein shall have the meaning given those terms in the Master Declaration.

(L) **LOAN FORGIVENESS:** If the Borrower completes the Project and provided there is no default of any of the terms hereof, DEQ shall forgive fifty percent (50%) of the Loan or \$375,000, whichever is less (the portion of the Loan that is forgiven being referred to as the "Forgivable Loan"), on the date the first repayment is due hereunder. The amount of the Loan forgiveness will be determined when the Final Loan Amount is calculated.

ARTICLE 2: GENERAL LOAN PROVISIONS

(A) **AGREEMENT OF DEQ TO LOAN.** DEQ agrees to loan the Borrower an amount not to exceed the Loan Amount, subject to the terms and conditions of this Loan Agreement, but solely from funds available to DEQ in the Water Pollution Control Revolving Fund for its Clean Water State Revolving Fund program. This Loan Agreement is given as evidence of a Loan to the Borrower made by DEQ pursuant to ORS Chapters 190, 287A and 468, and OAR Chapter 340, all as amended from time to time, consistent with the express provisions hereof.

(B) AVAILABILITY OF FUNDS. DEQ's obligation to make the Loan described in this Agreement is subject to the availability of funds in the Water Pollution Control Revolving Fund for its CWSRF program, and DEQ shall have no liability to the Borrower or any other party if such funds are not available or are not available in amounts sufficient to fund the entire Loan described herein, as determined by DEQ in the reasonable exercise of its administrative discretion. Funds may not be available ahead of the estimated schedule of disbursements submitted by the Borrower, which is attached as Appendix B. This schedule may be revised from time to time by the parties without the necessity of an amendment by replacing the then current Appendix B with an updated Appendix B which is dated and signed by both parties.

(C) DISBURSEMENT OF LOAN PROCEEDS.

(1) Project Account(s). Loan proceeds (as and when disbursed by DEQ to the Borrower) shall be deposited in a Project account(s). The Borrower shall maintain Project account(s) as segregated account(s). Funds in the Project account(s) shall only be used to pay for Project costs, and all earnings on the Project account(s) shall be credited to the account(s).

(2) Documentation of Expenditures. The Borrower shall provide DEQ with written evidence of work performed upon the Project, including, without limitation, invoices, verified contractor's pay requests, receipts, and other evidence that DEQ may require in its sole discretion (collectively, "Cost Documentation"). DEQ will disburse funds to pay Project costs only after the Borrower has provided Cost Documentation satisfactory to DEQ that such Project costs have been incurred (whether or not already paid by Borrower) and qualify for reimbursement under this Agreement and CWSRF Program Rules.

(3) Adjustments and Corrections. DEQ may at any time review and audit requests for disbursement and make adjustments for, among other things, ineligible expenditures, mathematical errors, work not performed, unacceptable work and other discrepancies. Nothing in this Agreement requires DEQ to pay any amount for work performed or Project-related expenses incurred unless DEQ is satisfied that the claim therefor is reasonable and that the Borrower actually expended such amount for the Project. In addition, DEQ shall not be required to make any disbursement which would cause the total of all disbursements made hereunder (including the requested disbursement) to be greater than the total estimated cost of the work completed at the time of the disbursement, as determined by DEQ.

(D) AGREEMENT OF BORROWER TO REPAY. The Borrower agrees to repay all amounts owed on this Loan as described in ARTICLE 1(I) and ARTICLE 2(F) in U.S. Dollars in immediately available funds at the place listed for DEQ in ARTICLE 10(A). In any case, the Borrower agrees to repay all amounts owed on this Loan within the Repayment Period.

(E) INTEREST. Interest will accrue at the rate specified in ARTICLE 1(G) from the date that a disbursement hereunder is mailed or delivered to the Borrower or deposited into an account of the Borrower. Interest will accrue using a 365/366 day year and actual days elapsed until the Final

Loan Amount is determined and the final repayment schedule is prepared and thereafter on a 360- day year basis and actual days elapsed.

(F) LOAN REPAYMENT.

(1) Preliminary Repayment Schedule; Interim Payments. The attached APPENDIX A is a preliminary repayment schedule based on the estimated date of the first disbursement hereunder and Loan Amount. Until the final repayment schedule is effective, the Borrower shall make the payments set forth in the preliminary repayment schedule.

(2) Final Repayment Schedule. After the Borrower has submitted its final request for Loan proceeds and DEQ has made all required disbursements hereunder, DEQ will determine the Final Loan Amount and prepare a final payment schedule that provides for level semi-annual installment payments of principal and interest (commencing on the next semi-annual payment date), each in an amount sufficient to pay accrued interest to the date of payment and to pay so much of the principal balance as to fully amortize the then Outstanding Loan Amount over the remaining Repayment Period. This final repayment schedule, when signed and dated by the parties, will replace the preliminary payment schedule as Attachment A without the necessity of an amendment to this Agreement; provided however that if the final repayment schedule is for a Loan Amount that is less than the Loan Amount set forth in ARTICLE 1(C), the parties must execute a formal amendment to this Agreement.

(3) Crediting of Scheduled Payments. A scheduled payment received before the scheduled repayment date will be applied to interest and principal on the scheduled repayment date, rather than on the day such payment is received. Scheduled payments will be applied first to fees due, if any, and then to interest, according to the applicable repayment schedule, and then to principal.

(4) Crediting of Unscheduled Payments. All unscheduled payments, including any prepayments and partial payments, will be applied first to fees due, if any, and then to accrued unpaid interest (which will be computed as otherwise provided in this Agreement, except that interest from the last payment date will be calculated using a 365/366 day year and actual days elapsed), and then to principal. In the case of a Loan prepayment that does not prepay all of the principal of the Loan, DEQ will determine, in its sole discretion, how it will apply such Loan prepayment to the Outstanding Loan Amount. After a partial payment, DEQ may, in its sole and absolute discretion, reamortize the Outstanding Loan Amount at the same interest rate for the same number of payments to decrease the Loan payment amount; provided, however, that nothing in this Agreement requires DEQ to accept any partial payment or to reamortize the Outstanding Loan Amount if it accepts a partial payment.

(5) Final Payment. The Outstanding Loan Amount, all accrued and unpaid interest, and all unpaid fees and charges due hereunder are due and payable no later than five (5) years after the Completion Date or (b) five (5) years after the estimated Completion Date set forth in ARTICLE 3(A)(10), whichever date is earlier.

(G) PREPAYMENT.

(1) Optional Prepayment. The Borrower may prepay any amount owed on this Loan without penalty on any business day upon 24 hours prior written notice. Any prepayment made hereunder will be applied in accordance with ARTICLE 2(F)(4).

(2) Refinancing of Loan by the Borrower. If the Borrower refinances the portion of the Project financed by this Loan or obtains an additional grant or loan that is intended to finance the portion of the Project financed by this Loan, it will prepay the portion of the Loan being refinanced by the additional grant or loan.

(3) Ineligible Uses of the Project. If the Borrower uses the Project for uses that are other than those described in ARTICLE 1(F) (“ineligible uses”), the Borrower shall, upon demand by DEQ, prepay an amount equal to the Outstanding Loan Amount multiplied by the percentage (as determined by DEQ) of ineligible use of the Project. Such prepayment shall be applied against the most remotely maturing principal installments and shall not postpone the due date of any payment(s) hereunder.

(H) LATE PAYMENT FEE. The Borrower agrees to pay immediately upon DEQ’s demand a late fee equal to five percent (5%) of any payment (including any loan fee) that is not received by DEQ on or before the tenth (10th) calendar day after such payment is due hereunder.

(I) TERMINATION OF LOAN AGREEMENT. Upon performance by the Borrower of all of its obligations under this Loan Agreement, including payment in full of the Final Loan Amount, all accrued interest and all fees, charges and other amounts due hereunder, this Loan Agreement will terminate, and DEQ will release its interest in any collateral given as security under this Loan Agreement.

ARTICLE 3: GENERAL REPRESENTATIONS, WARRANTIES AND COVENANTS

(A) REPRESENTATIONS AND WARRANTIES OF THE BORROWER. The Borrower represents and warrants to DEQ that:

(1) It is a duly formed and existing public agency (as defined in ORS 468.423(4)) and has full power and authority to enter into this Loan Agreement.

(2) This Agreement has been duly authorized and executed and delivered by an authorized officer of the Borrower and constitutes the legal, valid and binding obligation of the Borrower enforceable in accordance with its terms.

(3) All acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Agreement have existed, have happened, and have been performed in due time, form and manner as required by law.

(4) Neither the execution of this Loan Agreement, the consummation of the transactions contemplated hereby, nor the fulfillment of or compliance with any of the terms and conditions of this Loan Agreement will violate any provision of law, or any order

of any court or other agency of government, or any agreement or other instrument to which the Borrower is now a party or by which the Borrower or any of its properties or assets is bound. Nor will this Loan Agreement be in conflict with, result in a breach of, or constitute a default under, any such agreement or other instrument, or, except as provided hereunder, result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of the Borrower.

(5) This Loan Agreement does not create any unconstitutional indebtedness. The Loan Amount together with all of the Borrower's other obligations does not, and will not, exceed any limits prescribed by the Constitution, any of the statutes of the State of Oregon, the Borrower's charter, or any other authority.

(6) The Project is a project which the Borrower may undertake pursuant to Oregon law and for which the Borrower is authorized by law to borrow money.

(7) The Borrower has full legal right and authority and all necessary licenses and permits required as of the date hereof to own, operate and maintain the Facility, other than licenses and permits relating to the Facility which the Borrower expects to and shall receive in the ordinary course of business, to carry on its activities relating thereto, to execute and deliver this Agreement, to undertake and complete the Project, and to carry out and consummate all transactions contemplated by this Agreement.

(8) The information contained herein which was provided by the Borrower is true and accurate in all respects, and there is no material adverse information relating to the Project or the Loan, known to the Borrower, that has not been disclosed in writing to DEQ.

(9) No litigation exists or has been threatened that would cast doubt on the enforceability of the Borrower's obligations under this Loan Agreement.

(10) The estimated Completion Date of the Project is June 30, 2023. The Borrower agrees to complete the Project by the estimated Completion Date.

(11) The estimated total Costs of the Project are \$750,000.

(12) The Borrower is in compliance with all laws, ordinances, and governmental rules and regulations to which it is subject, the failure to comply with which would materially adversely affect the ability of the Borrower to conduct its activities or undertake or complete the Project or the condition (financial or otherwise) of the Borrower or the Project.

(13) The Borrower will provide written notice to DEQ at least ten (10) business days prior to issuing any Additional Bonds (as defined in the Master Declaration), which DEQ acknowledges in writing.

(14) The Borrower will not issue or incur any Additional Subordinate Obligations (as defined in the Master Declaration) unless it obtains DEQ's prior written consent.

(15) The Borrower will not amend the Master Declaration in any way that may be reasonably interpreted to materially and adversely affect DEQ's rights as a holder of Subordinate Obligations under the Master Declaration or under the Loan.

(B) CONTINUING REPRESENTATIONS OF THE BORROWER. The representations of the Borrower contained herein shall be true on the closing date for the Loan and at all times during the term of this Agreement.

(C) REPRESENTATIONS AND WARRANTIES OF DEQ.

(1) DEQ represents and warrants that the Director has power under ORS Chapter 468 and OAR Chapter 340, Division 54, to enter into the transactions contemplated by this Loan Agreement and to carry out DEQ's obligations thereunder and that the Director is authorized to execute and deliver this Loan Agreement and to make the Loan as contemplated hereby.

(2) DEQ acknowledges that it has received and reviewed the Master Declaration, which, among other things, establishes the terms and conditions for the issuance by the City of Bend, Additional Bonds, Subordinate Obligation and Additional Subordinate Obligations, as such are defined thereunder.

ARTICLE 4: CONDITIONS TO LOAN

(A) CONDITIONS TO CLOSING. DEQ's obligations hereunder are subject to the condition that on or prior to June 30, 2022, the Borrower will duly execute and deliver to DEQ the following items, each in form and substance satisfactory to DEQ and its counsel:

(1) this Agreement duly executed and delivered by an authorized officer of the Borrower;

(2) a copy of the ordinance, order or resolution of the governing body of the Borrower authorizing the execution and delivery of this Agreement, certified by an authorized officer of the Borrower;

(3) Certification Regarding Lobbying, substantially in the form of APPENDIX F, duly executed and delivered by an authorized officer of the Borrower;

(4) an opinion of the legal counsel to the Borrower to the effect that:

(a) The Borrower has the power and authority to execute and deliver and perform its obligations under this Loan Agreement;

(b) This Loan Agreement has been duly executed and acknowledged where necessary by the Borrower's authorized representative(s), all required approvals have been obtained, and all other necessary actions have been taken, so that this Loan Agreement is valid, binding, and enforceable against the Borrower in accordance with

its terms, except as such enforcement is affected by bankruptcy, insolvency, moratorium, or other laws affecting creditors rights generally;

(c) To such counsel's knowledge, this Loan Agreement does not violate any other agreement, statute, court order, or law to which the Borrower is a party or by which it or any of its property or assets is bound; and

(d) The Gross Revenues from which the Net Revenues are derived and that are used as security for the Loan will **not** constitute taxes that are limited by Section 11b, Article XI of the Oregon Constitution; and

(5) such other documents, certificates, opinions and information as DEQ or its counsel may reasonably require.

(B) CONDITIONS TO DISBURSEMENTS. Notwithstanding anything in this Agreement to the contrary, DEQ shall have no obligation to make any disbursement to the Borrower under this Agreement unless:

(1) No Event of Default and no event, omission or failure of a condition which would constitute an Event of Default after notice or lapse of time or both has occurred and is continuing;

(2) All of the Borrower's representations and warranties in this Agreement are true and correct on the date of disbursement with the same effect as if made on such date; and

(3) The Borrower submits a disbursement request to DEQ that complies with the requirements of ARTICLE 2(C); provided, however, DEQ shall be under no obligation to make any disbursement if:

(a) DEQ determines, in the reasonable exercise of its administrative discretion, there is insufficient money available in the CWSRF Program for the Project; or

(b) there has been a change in any applicable state or federal law, statute, rule or regulation so that the Project is no longer eligible for the Loan.

ARTICLE 5: COVENANTS OF BORROWER

(A) GENERAL COVENANTS OF THE BORROWER. Until the Loan is paid in full, the Borrower covenants with DEQ that:

(1) The Borrower shall use the Loan funds only for payment or reimbursement of the Costs of the Project in accordance with this Loan Agreement. The Borrower acknowledges and agrees that the Costs of the Project do NOT include any Lobbying costs or expenses incurred by Borrower or any person on behalf of Borrower and that Borrower will not request payment or reimbursement for Lobbying costs and expenses.

(2) If the Loan proceeds are insufficient to pay for the Costs of the Project in full, the Borrower shall pay from its own funds and without any right of reimbursement from DEQ all such Costs of the Project in excess of the Loan proceeds.

(3) The Borrower is and will be the owner of the Facility and the Project and shall defend them against the claims and demands of all other persons at any time claiming the same or any interest therein.

(4) The Borrower shall not sell, lease, transfer, or encumber or enter into any management agreement or special use agreement with respect to the Facility or any financial or fixed asset of the utility system that produces the Net Revenues without DEQ's prior written approval, which approval may be withheld for any reason. Upon sale, transfer or encumbrance of the Facility, in whole or in part, to a private person or entity, this Loan shall be immediately due and payable in full.

(5) Concurrent with the execution and delivery of this Loan Agreement, or as soon thereafter as practicable, the Borrower shall take all steps necessary to cause the Project to be completed in a timely manner in accordance with all applicable DEQ requirements. Borrower shall begin using the Loan proceeds within two (2) years after execution of this Agreement, and if Borrower fails to do so, DEQ may terminate this Agreement unless Borrower requests an extension in writing and DEQ has approved such extension.

(6) The Borrower shall take no action that would adversely affect the eligibility of the Project as a CWSRF project or cause a violation of any Loan covenant in this Agreement.

(7) The Borrower shall undertake the Project, request disbursements under this Loan Agreement, and use the Loan proceeds in full compliance with all applicable laws and regulations of the State of Oregon, including but not limited to ORS Chapter 468 and Oregon Administrative Rules Sections 340-054-0005 to 340-054-0065, as they may be amended from time to time, and all applicable federal authorities and laws and regulations of the United States, including but not limited to Title VI of the Clean Water Act as amended by the Water Quality Act of 1987, Public Law 100-4, the federal cross-cutters listed in APPENDIX D the equal employment opportunity provisions in APPENDIX E, and the regulations of the U.S. Environmental Protection Agency, all as they may be amended from time to time. The Borrower shall include in all contracts (unless exempt) with its prime contractor(s) the language set forth in APPENDIX E.

(8) The Borrower shall keep the Facility in good repair and working order at all times and operate the Facility in an efficient and economical manner. The Borrower shall provide the necessary resources for adequate operation and maintenance of the Facility and retain sufficient personnel to operate the Facility.

(9) Interest paid on this Loan Agreement is *not* excludable from gross income under Section 103(a) of the United States Internal Revenue Code of 1986, as amended (the "Code"). However, the DEQ may have funded this Loan with the proceeds of State bonds that bear interest that is excludable from gross income under Section 103(a) of the Code. Section 141 of the Code requires that the State not allow the proceeds of the State bonds to be used by private entities (including the federal government) in such a way that the State bonds would become "private activity bonds" as defined in Section 141 of the Code. To protect the State bonds the Borrower agrees that it shall not use the Loan

proceeds or lease, transfer or otherwise permit the use of the Project by any private person or entity in any way that that would cause this Loan Agreement or the State bonds to be treated as "private activity bonds" under Section 141 of the Code and the regulations promulgated under that Section of the Code.

(B) DEBT SERVICE COVERAGE REQUIREMENT; WASTEWATER RATE COVENANT; REPORTING.

(1) Rate Covenant Requirements. The Borrower shall maintain wastewater rates and charge fees in connection with the operation of the Facility that are adequate to generate Net Revenues in each fiscal year sufficient to meet the Rate Covenant requirements of the Master Declaration, including taking any required action thereunder if Net Revenues fail to meet the Rate Covenant requirements in any fiscal year.

(2) For the purposes of this Loan Agreement, the Borrower's failure to adjust rates shall not, at the discretion of DEQ, constitute a default if the Borrower transfers to the fund that holds the Net Revenues unencumbered resources in an amount equal to the revenue deficiency to the Facility that produces the Net Revenues.

(3) Reporting Requirement. By March 31 of each year the Borrower shall provide DEQ with a report that demonstrates the Borrower's compliance with the requirements of this ARTICLE 5(B). If the audit report described in ARTICLE 5(F) identifies the Net Revenues and contains a calculation demonstrating the Borrower's satisfaction of the requirements of this ARTICLE 5(B), that audit will satisfy the requirements of this ARTICLE 5(B)(3).

(C) LOAN RESERVE REQUIREMENT; LOAN RESERVE ACCOUNT.

(1) Loan Reserve Requirement. Until the Final Loan Amount is calculated, the Loan reserve requirement is \$76,576. The Borrower shall deposit the Loan reserve requirement amount into the Loan Reserve Account no later than the date the first payment is due hereunder.

(2) Loan Reserve Account. The Borrower shall create a segregated Loan Reserve Account that shall be held in trust for the benefit of DEQ. The Borrower hereby irrevocably pledges the Loan Reserve Account to pay the amounts due under this Loan Agreement. The funds in Loan Reserve Account so pledged and hereafter received by the Borrower shall immediately be subject to the lien of such pledge without physical delivery or further act, and the lien of the pledge shall be superior to all other claims and liens whatsoever, to the fullest extent permitted by ORS 287A.310. The Borrower represents and warrants that the pledge of the Loan Reserve Account hereby made by the Borrower complies with and shall be valid and binding from the date of this Agreement pursuant to, ORS 287A.310. The Borrower shall use the funds in the Loan Reserve Account solely to pay amounts due hereunder until the principal, interest, fees, and any other amounts due hereunder have been fully paid.

(3) Additional Deposits. If the balance in the Loan Reserve Account falls below the Loan reserve requirement, the Borrower shall promptly deposit from the first Net Revenues available after payment of the amounts due hereunder (unless the Borrower has previously made such deposit from other money of the Borrower) an amount sufficient to restore the balance up to the Loan reserve requirement.

(D) **INSURANCE**. At its own expense, the Borrower shall, during the term of this Agreement, procure and maintain insurance coverage (including, but not limited to, hazard, flood and general liability insurance) adequate to protect DEQ's interest and in such amounts and against such risks as are usually insurable in connection with similar projects and as is usually carried by entities operating similar facilities. The insurance shall be with an entity which is acceptable to DEQ. The Borrower shall provide evidence of such insurance to DEQ. Self-insurance maintained pursuant to a recognized municipal program of self-insurance will satisfy this requirement.

(E) **INDEMNIFICATION**. *The Borrower shall, to the extent permitted by law and the Oregon Constitution, indemnify, save and hold the State, its officers, agents and employees harmless from and (subject to ORS Chapter 180) defend each of them against any and all claims, suits, actions, losses, damages, liabilities, cost and expenses of any nature whatsoever resulting from, arising out of or relating to the acts or omissions of the Borrower or its officers, employees, subcontractors or agents in regard to this Agreement or the Project.*

(F) **THE BORROWER'S FINANCIAL RECORDS; FINANCIAL REPORTING REQUIREMENTS.**

(1) Financial Records. The Borrower shall keep proper and complete books of record and account and maintain all fiscal records related to this Agreement, the Project, and the Facility in accordance with generally accepted accounting principles, generally accepted government accounting standards, the requirements of the Governmental Accounting Standards Board, and state minimum standards for audits of municipal corporations. The Borrower must maintain separate Project accounts in accordance with generally accepted government accounting standards promulgated by the Governmental Accounting Standards Board. The Borrower will permit DEQ and the Oregon Secretary of State and their representatives to inspect its properties, and all work done on the Project, and DEQ, the Oregon Secretary of State and the federal government and their duly authorized representatives shall have access to the Borrower's fiscal records and other books, documents, papers, plans and writings that are pertinent to this Agreement to perform examinations and audits and make excerpts and transcripts and take copies.

(2) Record Retention Period. The Borrower shall retain and keep accessible files and records relating to the Project for at least six (6) years (or such longer period as may be required by applicable law) after Project completion as determined by DEQ and financial files and records until all amounts due under this Loan Agreement are fully repaid, or until the conclusion of any audit, controversy, or litigation arising out of or related to this Agreement, whichever date is later.

(3) Audit. Federal enabling legislation and applicable regulations require an audit of each CWSRF Loan. The Borrower agrees to provide to DEQ the following which DEQ agrees to accept as adequate to meet this federal audit requirement.

(a) As soon as possible, but in no event later than six (6) months following the Project Completion Date, a full and complete accounting of the Costs of the Project, including but not limited to documentation to support each cost element and a summary of the Costs of the Project and the sources of funding; and

(b) As soon as possible, but in no event later than nine (9) months after the end of each fiscal year, a copy of the Borrower's annual audit report, if requested by DEQ.

(G) DBE GOOD FAITH EFFORT. Pursuant to the good faith efforts described in APPENDIX C, the Borrower shall make a good faith effort to promote fair share awards to Minority Business Enterprises (“MBE”), Women's Business Enterprises (“WBE”), and Small Businesses in Rural Areas (“SBRA”) on all contracts and subcontracts awarded as part of the Project. The Borrower agrees to include, in its contract(s) with its prime contractor(s), the following language, which must not be altered in any way:

“The contractor shall not discriminate on the basis of race, color, national origin or sex in the performance of this contract. The contractor shall carry out applicable requirements of 40 CFR part 33 in the award and administration of contracts awarded under EPA financial assistance agreements. Failure by the contractor to carry out these requirements is a material breach of this contract which may result in the termination of this contract or other legally available remedies.”

The Borrower also agrees to include, in its contract(s) with its prime contractor(s), language to the following effect (the exact language may vary):

(1) A prime contractor is required to pay its subcontractor(s) no more than 30 days from the prime contractor's receipt of payment from the Borrower.

(2) The Borrower must be notified in writing by its prime contractor prior to any termination of a DBE subcontractor for convenience by the prime contractor.

(3) If a DBE subcontractor fails to complete work under the subcontract for any reason, the prime contractor must use the Six Good Faith Efforts as described in 40 C.F.R. 35.301 in selecting a replacement subcontractor.

(4) A prime contractor must employ the Six Good Faith Efforts even if the prime contractor has achieved its Fair Share Objectives under Subpart D of 40 C.F.R. Part 33.

(H) PROJECT ASSURANCES. Nothing in this Loan Agreement prohibits the Borrower from requiring more assurances, guarantees, indemnity or other contractual requirements from any party performing Project work.

ARTICLE 6: DISCLAIMERS BY DEQ; LIMITATION OF DEQ'S LIABILITY

(A) DISCLAIMER OF ANY WARRANTY. DEQ EXPRESSLY DISCLAIMS ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, REGARDING THE PROJECT, THE QUALITY OF DATA AND INFORMATION USED IN AND THAT BECOME A PART OF THE PROJECT, THE QUALITY OF THE WORK PERFORMED UPON THE PROJECT, OR THE EXTENT AND STAGE OF COMPLETION OF THE PROJECT. No such warranty or guarantee shall be implied by virtue of any review or disbursement made by DEQ. Any review done by DEQ shall be for its sole benefit.

(B) DISCLAIMER OF LIABILITY OF DEQ. DEQ EXPRESSLY DISCLAIMS LIABILITY OF ANY KIND OR CHARACTER WHATSOEVER FOR PAYMENT OF ANY COSTS OR EXPENSES INCURRED FOR THE PROJECT OR OTHERWISE IN CONNECTION WITH THE COMPLETION OF THE PROJECT OR CONTRACTS ENTERED INTO BY THE BORROWER WITH THIRD PARTIES FOR THE COMPLETION OF THE PROJECT. All Project costs and expenses, including any indirect costs, shall be the responsibility of and shall be paid by the Borrower.

(C) NONLIABILITY OF STATE.

(H) **REPAYMENT PERIOD:** Ending no later than (a) Five (5) years after the Completion Date or (b) Five (5) years after the estimated Completion Date set forth in ARTICLE 3(A)(10), whichever date is earlier.

(I) TERMS OF REPAYMENT: An interest-only payment six months after the estimated Project Completion Date set forth in ARTICLE 3(A)(10) and thereafter semi-annual payments of principal and interest in accordance with Appendix A and ARTICLE 2(F) of this Agreement.

(J) PLEDGE: The Borrower hereby irrevocably pledges its Net Revenues to secure payment of and to pay the amounts due under this Loan Agreement. The Net Revenues so pledged and hereafter received by the Borrower shall immediately be subject to the lien of such pledge without physical delivery or further act, and the lien of the pledge shall be superior to all other claims and liens whatsoever, to the fullest extent permitted by ORS 287A.310. The Borrower represents and warrants that the pledge of Net Revenues hereby made by the Borrower complies with, and shall be valid and binding from the date of this Agreement pursuant to, ORS 287A.310. The Borrower covenants with DEQ and any assignee of this Agreement that except as otherwise expressly provided herein, including, without limitation Section K below, the Borrower shall not issue any other obligations which have a pledge or lien on the Net Revenues superior to or on a parity with the pledge herein granted without the written permission of DEQ. The lien of this pledge is on a parity with the liens securing all other CWSRF loans between DEQ and the Borrower; provided, however, that this provision shall not affect the priority that prior CWSRF loans are entitled to in relation to any loans between Borrower and any third parties.

(K) For purposes of the Borrower's Master Sewer Revenue Bond Declaration, dated as of September 1, 2020 (as supplemented from time to time, the "Master Declaration") and with respect any Bonds, Additional Bonds or Subordinate Obligations issued pursuant to the terms and conditions of the Master Declaration, the Loan shall constitute a Subordinate Obligation paid from the Subordinate Obligations Account created by the Master Declaration. For purposes of this paragraph, capitalized terms not otherwise defined herein shall have the meaning given those terms in the Master Declaration.

(L) LOAN FORGIVENESS: If the Borrower completes the project and provided there is no default of any of the terms hereof, DEQ shall forgive fifty percent (50%) of the Loan or \$500,000, whichever is less (the portion of the Loan that is forgiven being referred to as the "Forgivable Loan"), on the date the first repayment is due hereunder. The amount of the Loan forgiveness will be determined when the Final Loan Amount is calculated.

ARTICLE 2: GENERAL LOAN PROVISIONS

(A) AGREEMENT OF DEQ TO LOAN. DEQ agrees to loan the Borrower an amount not to exceed the Loan Amount, subject to the terms and conditions of this Loan Agreement, but solely from funds available to DEQ in the Water Pollution Control Revolving Fund for its Clean Water State Revolving Fund program. This Loan Agreement is given as evidence of a Loan to the Borrower made by DEQ pursuant to ORS Chapters 190, 287A and 468, and OAR Chapter 340, all as amended from time to time, consistent with the express provisions hereof.

(B) AVAILABILITY OF FUNDS. DEQ's obligation to make the Loan described in this Agreement is subject to the availability of funds in the Water Pollution Control Revolving Fund for its CWSRF program, and DEQ shall have no liability to the Borrower or any other party if such funds are not available or are not available in amounts sufficient to fund the entire Loan described herein, as determined by DEQ in the reasonable exercise of its administrative discretion. Funds may not be available ahead of the estimated schedule of disbursements submitted by the Borrower, which is attached as Appendix B. This schedule may be revised from time to time by the parties without the necessity of an amendment by replacing the then current Appendix B with an updated Appendix B which is dated and signed by both parties.

(C) DISBURSEMENT OF LOAN PROCEEDS.

(1) Project Account(s). Loan proceeds (as and when disbursed by DEQ to the Borrower) shall be deposited in a Project account(s). The Borrower shall maintain Project account(s) as segregated account(s). Funds in the Project account(s) shall only be used to pay for Project costs, and all earnings on the Project account(s) shall be credited to the account(s).

(2) Documentation of Expenditures. The Borrower shall provide DEQ with written evidence of work performed upon the Project, including, without limitation, invoices, verified contractor's pay requests, receipts, and other evidence that DEQ may require in its sole discretion (collectively, "Cost Documentation"). DEQ will disburse funds to pay Project costs only after the Borrower has provided Cost Documentation satisfactory to DEQ that such Project costs have been incurred (whether or not already paid by Borrower) and qualify for reimbursement under this Agreement and CWSRF Program Rules.

(3) Adjustments and Corrections. DEQ may at any time review and audit requests for disbursement and make adjustments for, among other things, ineligible expenditures, mathematical errors, work not performed, unacceptable work and other discrepancies. Nothing in this Agreement requires DEQ to pay any amount for work performed or Project-related expenses incurred unless DEQ is satisfied that the claim therefor is reasonable and that the Borrower actually expended such amount for the Project. In addition, DEQ shall not be required to make any disbursement which would cause the total of all disbursements made hereunder (including the requested disbursement) to be greater than the total estimated cost of the work completed at the time of the disbursement, as determined by DEQ.

(D) AGREEMENT OF BORROWER TO REPAY. The Borrower agrees to repay all amounts owed on this Loan as described in ARTICLE 1(I) and ARTICLE 2(F) in U.S. Dollars in immediately available funds at the place listed for DEQ in ARTICLE 10(A). In any case, the Borrower agrees to repay all amounts owed on this Loan within the Repayment Period.

(E) **INTEREST.** Interest will accrue at the rate specified in ARTICLE 1(G) from the date that a disbursement hereunder is mailed or delivered to the Borrower or deposited into an account of the Borrower. Interest will accrue using a 365/366 day year and actual days elapsed until the Final Loan Amount is determined and the final repayment schedule is prepared and thereafter on a 360-day year basis and actual days elapsed.

(F) **LOAN REPAYMENT.**

(1) Preliminary Repayment Schedule; Interim Payments. The attached APPENDIX A is a preliminary repayment schedule based on the estimated date of the first disbursement hereunder and Loan Amount. Until the final repayment schedule is effective, the Borrower shall make the payments set forth in the preliminary repayment schedule.

(2) Final Repayment Schedule.

After the Borrower has submitted its final request for Loan proceeds and DEQ has made all required disbursements hereunder, DEQ will determine the Final Loan Amount and prepare a final payment schedule that provides for level semi-annual installment payments of principal and interest (commencing on the next semi-annual payment date), each in an amount sufficient to pay accrued interest to the date of payment and to pay so much of the principal balance as to fully amortize the then Outstanding Loan Amount over the remaining Repayment Period. This final repayment schedule, when signed and dated by the parties, will replace the preliminary payment schedule as Attachment A without the necessity of an amendment to this Agreement; provided however that if the final repayment schedule is for a Loan Amount that is less than the Loan Amount set forth in ARTICLE 1(C), the parties must execute a formal amendment to this Agreement.

(3) Crediting of Scheduled Payments. A scheduled payment received before the scheduled repayment date will be applied to interest and principal on the scheduled repayment date, rather than on the day such payment is received. Scheduled payments will be applied first to fees due, if any, and then to interest, according to the applicable repayment schedule, and then to principal.

(4) Crediting of Unscheduled Payments. All unscheduled payments, including any prepayments and partial payments, will be applied first to fees due, if any, and then to accrued unpaid interest (which will be computed as otherwise provided in this Agreement, except that interest from the last payment date will be calculated using a 365/366 day year and actual days elapsed), and then to principal. In the case of a Loan prepayment that does not prepay all of the principal of the Loan, DEQ will determine, in its sole discretion, how it will apply such Loan prepayment to the Outstanding Loan Amount. After a partial payment, DEQ may, in its sole and absolute discretion, reamortize the Outstanding Loan Amount at the same interest rate for the same number of payments to decrease the Loan payment amount; provided, however, that nothing in this Agreement requires DEQ to accept any partial payment or to reamortize the Outstanding Loan Amount if it accepts a partial payment.

(5) Final Payment. The Outstanding Loan Amount, all accrued and unpaid interest, and all unpaid fees and charges due hereunder are due and payable no later than five (5) years after the Completion Date or (b) five (5) years after the estimated Completion Date set forth in ARTICLE 3(A)(10), whichever date is earlier.

(G) PREPAYMENT.

(1) Optional Prepayment. The Borrower may prepay any amount owed on this Loan without penalty on any business day upon 24 hours prior written notice. Any prepayment made hereunder will be applied in accordance with ARTICLE 2(F)(4).

(2) Refinancing of Loan by the Borrower. If the Borrower refinances the portion of the Project financed by this Loan or obtains an additional grant or loan that is intended to finance the portion of the Project financed by this Loan, it will prepay the portion of the Loan being refinanced by the additional grant or loan.

(3) Ineligible Uses of the Project. If the Borrower uses the Project for uses that are other than those described in ARTICLE 1(F) (“ineligible uses”), the Borrower shall, upon demand by DEQ, prepay an amount equal to the Outstanding Loan Amount multiplied by the percentage (as determined by DEQ) of ineligible use of the Project. Such prepayment shall be applied against the most remotely maturing principal installments and shall not postpone the due date of any payment(s) hereunder.

(H) LATE PAYMENT FEE. The Borrower agrees to pay immediately upon DEQ’s demand a late fee equal to five percent (5%) of any payment (including any loan fee) that is not received by DEQ on or before the tenth (10th) calendar day after such payment is due hereunder.

(I) TERMINATION OF LOAN AGREEMENT. Upon performance by the Borrower of all of its obligations under this Loan Agreement, including payment in full of the Final Loan Amount, all accrued interest and all fees, charges and other amounts due hereunder, this Loan Agreement will terminate, and DEQ will release its interest in any collateral given as security under this Loan Agreement.

ARTICLE 3: GENERAL REPRESENTATIONS, WARRANTIES AND COVENANTS

(A) REPRESENTATIONS AND WARRANTIES OF THE BORROWER. The Borrower represents and warrants to DEQ that:

(1) It is a duly formed and existing public agency (as defined in ORS 468.423(4)) and has full power and authority to enter into this Loan Agreement.

(2) This Agreement has been duly authorized and executed and delivered by an authorized officer of the Borrower and constitutes the legal, valid and binding obligation of the Borrower enforceable in accordance with its terms.

(3) All acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Agreement have existed, have happened, and have

been performed in due time, form and manner as required by law.

(4) Neither the execution of this Loan Agreement, the consummation of the transactions contemplated hereby, nor the fulfillment of or compliance with any of the terms and conditions of this Loan Agreement will violate any provision of law, or any order of any court or other agency of government, or any agreement or other instrument to which the Borrower is now a party or by which the Borrower or any of its properties or assets is bound. Nor will this Loan Agreement be in conflict with, result in a breach of, or constitute a default under, any such agreement or other instrument, or, except as provided hereunder, result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of the Borrower.

(5) This Loan Agreement does not create any unconstitutional indebtedness. The Loan Amount together with all of the Borrower's other obligations does not, and will not, exceed any limits prescribed by the Constitution, any of the statutes of the State of Oregon, the Borrower's charter, or any other authority.

(6) The Project is a project which the Borrower may undertake pursuant to Oregon law and for which the Borrower is authorized by law to borrow money.

(7) The Borrower has full legal right and authority and all necessary licenses and permits required as of the date hereof to own, operate and maintain the Facility, other than licenses and permits relating to the Facility which the Borrower expects to and shall receive in the ordinary course of business, to carry on its activities relating thereto, to execute and deliver this Agreement, to undertake and complete the Project, and to carry out and consummate all transactions contemplated by this Agreement.

(8) The information contained herein which was provided by the Borrower is true and accurate in all respects, and there is no material adverse information relating to the Project or the Loan, known to the Borrower, that has not been disclosed in writing to DEQ.

(9) No litigation exists or has been threatened that would cast doubt on the enforceability of the Borrower's obligations under this Loan Agreement.

(10) The estimated Completion Date of the Project is June 30, 2023. The Borrower agrees to complete the Project by the estimated Completion Date.

(11) The estimated total Costs of the Project are \$1,750,000

(12) The Borrower is in compliance with all laws, ordinances, and governmental rules and regulations to which it is subject, the failure to comply with which would materially adversely affect the ability of the Borrower to conduct its activities or undertake or complete the Project or the condition (financial or otherwise) of the Borrower or the Project.

(13) The Borrower will provide written notice to DEQ at least ten (10) business days prior to issuing any Additional Bonds (as defined in the Master Declaration), which DEQ acknowledges in writing.

(14) The Borrower will not issue or incur any Additional Subordinate Obligations (as defined in the Master Declaration) unless it obtains DEQ's prior written consent.

(15) The Borrower will not amend the Master Declaration in any way that may be reasonably interpreted to materially and adversely affect DEQ's rights as a holder of Subordinate Obligations under the Master Declaration or under the Loan.

(B) **CONTINUING REPRESENTATIONS OF THE BORROWER.** The representations of the Borrower contained herein shall be true on the closing date for the Loan and at all times during the term of this Agreement.

(C) **REPRESENTATIONS AND WARRANTIES OF DEQ.**

(1) DEQ represents and warrants that the Director has power under ORS Chapter 468 and OAR Chapter 340, Division 54, to enter into the transactions contemplated by this Loan Agreement and to carry out DEQ's obligations thereunder and that the Director is authorized to execute and deliver this Loan Agreement and to make the Loan as contemplated hereby.

(2) DEQ acknowledges that it has received and reviewed the Master Declaration, which, among other things, establishes the terms and conditions for the issuance by the City of Bend, Additional Bonds, Subordinate Obligation and Additional Subordinate Obligations, as such are defined thereunder.

ARTICLE 4: CONDITIONS TO LOAN

(A) **CONDITIONS TO CLOSING.** DEQ's obligations hereunder are subject to the condition that on or prior to June 30, 2022, the Borrower will duly execute and deliver to DEQ the following items, each in form and substance satisfactory to DEQ and its counsel:

(1) this Agreement duly executed and delivered by an authorized officer of the Borrower;

(2) a copy of the ordinance, order or resolution of the governing body of the Borrower authorizing the execution and delivery of this Agreement, certified by an authorized officer of the Borrower;

(3) Certification Regarding Lobbying, substantially in the form of APPENDIX F, duly executed and delivered by an authorized officer of the Borrower;

(4) an opinion of the legal counsel to the Borrower to the effect that:

(a) The Borrower has the power and authority to execute and deliver and perform its obligations under this Loan Agreement;

(b) This Loan Agreement has been duly executed and acknowledged where necessary by the Borrower's authorized representative(s), all required approvals have been obtained, and all other necessary actions have been taken, so that this Loan Agreement is valid, binding, and enforceable against the Borrower in accordance with its terms, except as such enforcement is affected by bankruptcy, insolvency, moratorium, or other laws affecting creditors rights generally;

(c) To such counsel's knowledge, this Loan Agreement does not violate any other agreement, statute, court order, or law to which the Borrower is a party or by which it or any of its property or assets is bound; and

(d) The Gross Revenues from which the Net Revenues are derived and that are used as security for the Loan will **not** constitute taxes that are limited by Section 11b, Article XI of the Oregon Constitution; and

(5) such other documents, certificates, opinions and information as DEQ or its counsel may reasonably require.

(B) CONDITIONS TO DISBURSEMENTS. Notwithstanding anything in this Agreement to the contrary, DEQ shall have no obligation to make any disbursement to the Borrower under this Agreement unless:

(1) No Event of Default and no event, omission or failure of a condition which would constitute an Event of Default after notice or lapse of time or both has occurred and is continuing;

(2) All of the Borrower's representations and warranties in this Agreement are true and correct on the date of disbursement with the same effect as if made on such date; and

(3) The Borrower submits a disbursement request to DEQ that complies with the requirements of ARTICLE 2(C); provided, however, DEQ shall be under no obligation to make any disbursement if:

(a) DEQ determines, in the reasonable exercise of its administrative discretion, there is insufficient money available in the CWSRF Program for the Project; or

(b) there has been a change in any applicable state or federal law, statute, rule or regulation so that the Project is no longer eligible for the Loan.

ARTICLE 5: COVENANTS OF BORROWER

(A) GENERAL COVENANTS OF THE BORROWER. Until the Loan is paid in full, the Borrower covenants with DEQ that:

(1) The Borrower shall use the Loan funds only for payment or reimbursement of the Costs of the Project in accordance with this Loan Agreement. The Borrower acknowledges and agrees that the Costs of the Project do NOT include any Lobbying costs or expenses incurred by Borrower or any person on behalf of Borrower and that Borrower will not request payment or reimbursement for Lobbying costs and expenses.

(2) If the Loan proceeds are insufficient to pay for the Costs of the Project in full, the Borrower shall pay from its own funds and without any right of reimbursement from DEQ all such Costs of the Project in excess of the Loan proceeds.

OREGON DEPARTMENT OF ENVIRONMENTAL QUALITY
CLEAN WATER STATE REVOLVING FUND

(3) The Borrower is and will be the owner of the Facility and the Project and shall defend them against the claims and demands of all other persons at any time claiming the same or any interest therein.

(4) The Borrower shall not sell, lease, transfer, or encumber or enter into any management agreement or special use agreement with respect to the Facility or any financial or fixed asset of the utility system that produces the Net Revenues without DEQ's prior written approval, which approval may be withheld for any reason. Upon sale, transfer or encumbrance of the Facility, in whole or in part, to a private person or entity, this Loan shall be immediately due and payable in full.

(5) Concurrent with the execution and delivery of this Loan Agreement, or as soon thereafter as practicable, the Borrower shall take all steps necessary to cause the Project to be completed in a timely manner in accordance with all applicable DEQ requirements. Borrower shall begin using the Loan proceeds within two (2) years after execution of this Agreement, and if Borrower fails to do so, DEQ may terminate this Agreement unless Borrower requests an extension in writing and DEQ has approved such extension.

(6) The Borrower shall take no action that would adversely affect the eligibility of the Project as a CWSRF project or cause a violation of any Loan covenant in this Agreement.

(7) The Borrower shall undertake the Project, request disbursements under this Loan Agreement, and use the Loan proceeds in full compliance with all applicable laws and regulations of the State of Oregon, including but not limited to ORS Chapter 468 and Oregon Administrative Rules Sections 340-054-0005 to 340-054-0065, as they may be amended from time to time, and all applicable federal authorities and laws and regulations of the United States, including but not limited to Title VI of the Clean Water Act as amended by the Water Quality Act of 1987, Public Law 100-4, the federal cross-cutters listed in APPENDIX D the equal employment opportunity provisions in APPENDIX E, and the regulations of the U.S. Environmental Protection Agency, all as they may be amended from time to time. The Borrower shall include in all contracts (unless exempt) with its prime contractor(s) the language set forth in APPENDIX E.

(8) The Borrower shall keep the Facility in good repair and working order at all times and operate the Facility in an efficient and economical manner. The Borrower shall provide the necessary resources for adequate operation and maintenance of the Facility and retain sufficient personnel to operate the Facility.

(9) Interest paid on this Loan Agreement is *not* excludable from gross income under Section 103(a) of the United States Internal Revenue Code of 1986, as amended (the "Code"). However, the DEQ may have funded this Loan with the proceeds of State bonds that bear interest that is excludable from gross income under Section 103(a) of the Code. Section 141 of the Code requires that the State not allow the proceeds of the State bonds to be used by private entities (including the federal government) in such a way that the State bonds would become "private activity bonds" as defined in Section 141 of the Code. To protect the State bonds the Borrower agrees that it shall not use the Loan proceeds or lease, transfer or otherwise permit the use of the Project by any private person or entity in any way that that would cause this Loan Agreement or the State bonds to be treated as

"private activity bonds" under Section 141 of the Code and the regulations promulgated under that Section of the Code.

(B) DEBT SERVICE COVERAGE REQUIREMENT; WASTEWATER RATE COVENANT; REPORTING.

(1) Rate Covenant Requirements. The Borrower shall maintain wastewater rates and charge fees in connection with the operation of the Facility that are adequate to generate Net Revenues in each fiscal year sufficient to meet the Rate Covenant requirements of the Master Declaration, including taking any required action thereunder if Net Revenues fail to meet the Rate Covenant requirements in any fiscal year.

(2) For the purposes of this Loan Agreement, the Borrower's failure to adjust rates shall not, at the discretion of DEQ, constitute a default if the Borrower transfers to the fund that holds the Net Revenues unencumbered resources in an amount equal to the revenue deficiency to the Facility that produces the Net Revenues.

(3) Reporting Requirement. By March 31 of each year the Borrower shall provide DEQ with a report that demonstrates the Borrower's compliance with the requirements of this ARTICLE 5(B). If the audit report described in ARTICLE 5(F) identifies the Net Revenues and contains a calculation demonstrating the Borrower's satisfaction of the requirements of this ARTICLE 5(B), that audit will satisfy the requirements of this ARTICLE 5(B)(3).

(C) LOAN RESERVE REQUIREMENT; LOAN RESERVE ACCOUNT.

(1) Loan Reserve Requirement. Until the Final Loan Amount is calculated, the Loan reserve requirement is \$178,678. The Borrower shall deposit the Loan reserve requirement amount into the Loan Reserve Account no later than the date the first payment is due hereunder.

(2) Loan Reserve Account. The Borrower shall create a segregated Loan Reserve Account that shall be held in trust for the benefit of DEQ. The Borrower hereby irrevocably pledges the Loan Reserve Account to pay the amounts due under this Loan Agreement. The funds in Loan Reserve Account so pledged and hereafter received by the Borrower shall immediately be subject to the lien of such pledge without physical delivery or further act, and the lien of the pledge shall be superior to all other claims and liens whatsoever, to the fullest extent permitted by ORS 287A.310. The Borrower represents and warrants that the pledge of the Loan Reserve Account hereby made by the Borrower complies with and shall be valid and binding from the date of this Agreement pursuant to, ORS 287A.310. The Borrower shall use the funds in the Loan Reserve Account solely to pay amounts due hereunder until the principal, interest, fees, and any other amounts due hereunder have been fully paid.

(3) Additional Deposits. If the balance in the Loan Reserve Account falls below the Loan reserve requirement, the Borrower shall promptly deposit from the first Net Revenues available after payment of the amounts due hereunder (unless the Borrower has previously made such deposit from other money of the Borrower) an amount sufficient to

restore the balance up to the Loan reserve requirement.

(D) INSURANCE. At its own expense, the Borrower shall, during the term of this Agreement, procure and maintain insurance coverage (including, but not limited to, hazard, flood and general liability insurance) adequate to protect DEQ's interest and in such amounts and against such risks as are usually insurable in connection with similar projects and as is usually carried by entities operating similar facilities. The insurance shall be with an entity which is acceptable to DEQ. The Borrower shall provide evidence of such insurance to DEQ. Self-insurance maintained pursuant to a recognized municipal program of self-insurance will satisfy this requirement.

(E) INDEMNIFICATION. *The Borrower shall, to the extent permitted by law and the Oregon Constitution, indemnify, save and hold the State, its officers, agents and employees harmless from and (subject to ORS Chapter 180) defend each of them against any and all claims, suits, actions, losses, damages, liabilities, cost and expenses of any nature whatsoever resulting from, arising out of or relating to the acts or omissions of the Borrower or its officers, employees, subcontractors or agents in regard to this Agreement or the Project.*

(F) THE BORROWER'S FINANCIAL RECORDS; FINANCIAL REPORTING REQUIREMENTS.

(1) Financial Records. The Borrower shall keep proper and complete books of record and account and maintain all fiscal records related to this Agreement, the Project, and the Facility in accordance with generally accepted accounting principles, generally accepted government accounting standards, the requirements of the Governmental Accounting Standards Board, and state minimum standards for audits of municipal corporations. The Borrower must maintain separate Project accounts in accordance with generally accepted government accounting standards promulgated by the Governmental Accounting Standards Board. The Borrower will permit DEQ and the Oregon Secretary of State and their representatives to inspect its properties, and all work done on the Project, and DEQ, the Oregon Secretary of State and the federal government and their duly authorized representatives shall have access to the Borrower's fiscal records and other books, documents, papers, plans and writings that are pertinent to this Agreement to perform examinations and audits and make excerpts and transcripts and take copies.

(2) Record Retention Period. The Borrower shall retain and keep accessible files and records relating to the Project for at least six (6) years (or such longer period as may be required by applicable law) after Project completion as determined by DEQ and financial files and records until all amounts due under this Loan Agreement are fully repaid, or until the conclusion of any audit, controversy, or litigation arising out of or related to this Agreement, whichever date is later.

(3) Audit. Federal enabling legislation and applicable regulations require an audit of each CWSRF Loan. The Borrower agrees to provide to DEQ the following which DEQ agrees to accept as adequate to meet this federal audit requirement.

(a) As soon as possible, but in no event later than six (6) months following the Project Completion Date, a full and complete accounting of the Costs of the Project, including but not limited to documentation to support each cost element and a summary of the Costs of the Project and the sources of funding; and

(b) As soon as possible, but in no event later than nine (9) months after the end of each fiscal year, a copy of the Borrower's annual audit report, if requested by DEQ.

(G) **DBE GOOD FAITH EFFORT.** Pursuant to the good faith efforts described in APPENDIX C, the Borrower shall make a good faith effort to promote fair share awards to Minority Business Enterprises (“MBE”), Women's Business Enterprises (“WBE”), and Small Businesses in Rural Areas (“SBRA”) on all contracts and subcontracts awarded as part of the Project. The Borrower agrees to include, in its contract(s) with its prime contractor(s), the following language, which must not be altered in any way:

“The contractor shall not discriminate on the basis of race, color, national origin or sex in the performance of this contract. The contractor shall carry out applicable requirements of 40 CFR part 33 in the award and administration of contracts awarded under EPA financial assistance agreements. Failure by the contractor to carry out these requirements is a material breach of this contract which may result in the termination of this contract or other legally available remedies.”

The Borrower also agrees to include, in its contract(s) with its prime contractor(s), language to the following effect (the exact language may vary):

- (1) A prime contractor is required to pay its subcontractor(s) no more than 30 days from the prime contractor's receipt of payment from the Borrower.
- (2) The Borrower must be notified in writing by its prime contractor prior to any termination of a DBE subcontractor for convenience by the prime contractor.
- (3) If a DBE subcontractor fails to complete work under the subcontract for any reason, the prime contractor must use the Six Good Faith Efforts as described in 40 C.F.R. 35.301 in selecting a replacement subcontractor.
- (4) A prime contractor must employ the Six Good Faith Efforts even if the prime contractor has achieved its Fair Share Objectives under Subpart D of 40 C.F.R. Part 33.

(H) **PROJECT ASSURANCES.** Nothing in this Loan Agreement prohibits the Borrower from requiring more assurances, guarantees, indemnity or other contractual requirements from any party performing Project work.

ARTICLE 6: DISCLAIMERS BY DEQ; LIMITATION OF DEQ'S LIABILITY

(A) DISCLAIMER OF ANY WARRANTY. DEQ EXPRESSLY DISCLAIMS ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, REGARDING THE PROJECT, THE QUALITY OF DATA AND INFORMATION USED IN AND THAT BECOME A PART OF THE PROJECT, THE QUALITY OF THE WORK PERFORMED UPON THE PROJECT, OR THE EXTENT AND STAGE OF COMPLETION OF THE PROJECT. No such warranty or guarantee shall be implied by virtue of any review or disbursement made by DEQ. Any review done by DEQ shall be for its sole benefit.

(B) DISCLAIMER OF LIABILITY OF DEQ. DEQ EXPRESSLY DISCLAIMS LIABILITY OF ANY KIND OR CHARACTER WHATSOEVER FOR PAYMENT OF ANY COSTS OR EXPENSES INCURRED FOR THE PROJECT OR OTHERWISE IN CONNECTION WITH THE COMPLETION OF THE PROJECT OR CONTRACTS ENTERED INTO BY THE BORROWER WITH THIRD PARTIES FOR THE COMPLETION OF THE PROJECT. All Project costs and expenses, including any indirect costs, shall be the responsibility of and shall be paid by the Borrower.

(C) NONLIABILITY OF STATE.

(1) The State and its officers, agents and employees shall not be liable to the Borrower or to any other party for any death, injury, damage, or loss that may result to any person or property by or from any cause whatsoever, arising out of any omissions or errors in the findings, conclusions and recommendations for the Project, any agreements or documents between the Borrower and third parties related to the Project or any activities related to the Project. DEQ shall not be responsible for doing cost comparisons or reviewing or monitoring compliance by the Borrower or any other party with state procurement laws and regulations.

(2) The Borrower hereby expressly releases and discharges DEQ, its officers, agents and employees from all liabilities, obligations and claims arising out of the Project work or under the Loan, subject only to exceptions previously agreed upon in writing by the parties.

(3) Any findings by DEQ concerning the Project and any review or analyses of the Project by DEQ are for determining eligibility for the Loan and disbursement of Loan proceeds only. Such findings do not constitute an endorsement of the findings, conclusions and recommendations of the Project or its components or an assurance of any kind for any other purpose.

(4) Review and approval of the Facility's plans, design drawings and specifications or other documents by or for DEQ does not relieve the Borrower of its responsibility to properly plan, design, build and effectively operate and maintain the Facility as required by law, regulations, permits and good management practices.

ARTICLE 7: DEFAULT AND REMEDIES

(A) EVENTS OF DEFAULT. The occurrence of one or more of the following events constitutes an Event of Default, whether occurring voluntarily or involuntarily, by operation of law or pursuant to any order of any court or governmental agency:

(1) The Borrower fails to make any Loan payment within thirty (30) days after the payment is scheduled to be made according to the repayment schedule;

(2) Any representation or warranty made by the Borrower hereunder was untrue in any material respect as of the date it was made;

(3) The Borrower becomes insolvent or admits in writing an inability to pay its debts as they mature or applies for, consents to, or acquiesces in the appointment of a trustee or receiver for the Borrower or a substantial part of its property; or in the absence of such application, consent, or acquiescence, a trustee or receiver is appointed for the Borrower or a substantial part of its property and is not discharged within sixty (60) days; or any bankruptcy, reorganization, debt arrangement or moratorium or any dissolution or liquidation proceeding is instituted by or against the Borrower and, if instituted against the Borrower, is consented to or acquiesced in by the Borrower or is not dismissed within twenty (20) days;

(4) As a result of any changes in the United States Constitution or the Oregon Constitution or as a result of any legislative, judicial, or administrative action, any part of this Loan Agreement becomes void, unenforceable or impossible to perform in accordance with the intent and purposes of the parties hereto or is declared unlawful;

(5) The Borrower defaults in the performance or observance of any covenants or agreements contained in any loan documents between itself and any lender or lenders, and the default remains uncured upon the expiration of any cure period provided by said loan documents; or

(6) The Borrower fails to cure non-compliance in any material respect with any other covenant, condition, or agreement of the Borrower hereunder, other than as set forth in (1) through (5) above within a period of thirty (30) days after DEQ provides notice of the noncompliance.

(B) REMEDIES. If DEQ determines that an Event of Default has occurred, DEQ may, without further notice:

(1) Declare the Outstanding Loan Amount plus any unpaid accrued interest, fees and any other amounts due hereunder immediately due and payable;

(2) Cease making disbursement of Loan proceeds or make some disbursements of Loan proceeds and withhold or refuse to make other disbursements;
