

Take the Stormwater Walking Tour!

Are you curious about how portions of Newport Avenue help keep the Deschutes River clean?
Take the stormwater walking tour and follow the otter footprints to find out!

CITY OF BEND
STORMWATER

1 Start here

2 Bend Water, Light & Power Company

3 What are the planters all about?

4 How do catch basins help protect our river?

5 What is hidden underground that helps protect our river?

6 What is a "Dogbone" Roundabout?

7 How do sedimentation manholes and drywells work together?

8 Why native plants?

9 Our trees are natural managers of stormwater.

10 What are the planters all about?

11 It's all connected!
