# Protecting the river and its critters

## Tour highlights:

- Visit Bend's charming Newport Avenue neighborhood.
- Explore the stormwater infrastructure built to protect our Deschutes River and its critters.
- Learn more about the history of water and wooden pipes in Bend.

To start the tour, go to Pageant Park. The tour map is the first stop and will guide you to the locations of all the signs. You can also download a map and trivia before you go from [bendoregon.gov/stormwaterwalkingtour](https://bendoregon.gov/stormwaterwalkingtour) or scan the QR code below. An interactive Google Map of the tour is also available on the walking tour website.
