

Awbrey Butte Waterline Improvement Project

PHASE 2 CONSTRUCTION: SUMMER 2024-SPRING 2025

The construction of the waterline is being sequenced over multiple phases to minimize traffic impacts. Please be advised of franchise utility relocations ahead of the City's improvements. As part of the South Awbrey Butte Drainage Improvement Project, work will include stormwater improvements. Local access and access for emergency vehicles will be provided.

SUBPROJECT 8

Mid-January 2024-Spring 2025

New Awbrey Transmission

The next segment of Subproject 8 includes the installation of 30-inch pipe along Saginaw Avenue, Juniper Street, Trenton Avenue, 12th Street, and into Hillside Park.

SUBPROJECT 7

Summer 2024-Fall 2024

Awbrey Butte Pipe Distribution Improvements

Upsize 1,260 feet of existing 6-inch pipe to 8-inch pipe along NW Trenton Avenue between NW Juniper Street and NW 12th Street.

WORK AREA

What To Expect

During this phase of the improvements, traffic will be restricted to local access only, managed by flaggers, and closures will be implemented one block at a time to further reduce traffic disruption. Local access and access for emergency vehicles will be provided.
