

Awbrey Butte Waterline Improvement Project

PHASE 2 CONSTRUCTION, SUBPROJECT 2 NOVEMBER 2024-SPRING 2025

CITY OF BEND

Stage 2 construction area will be restricted to local access only, managed by flaggers, with closures implemented two blocks at a time to minimize disruption. Traffic will be routed to Newport Avenue, and local and emergency vehicle access will be maintained. The schedule is weather dependent, with periodic asphalt and concrete restoration work expected through Spring 2025.
