

CITY OF BEND

Complete Streets and Low Stress Network Improvements Grant Request

**Janet Hruby, Assistant City Engineer, Transportation &
Mobility**

Wednesday, November 13th, 2024

Infrastructure Improvements Near Affordable Housing

Complete Streets

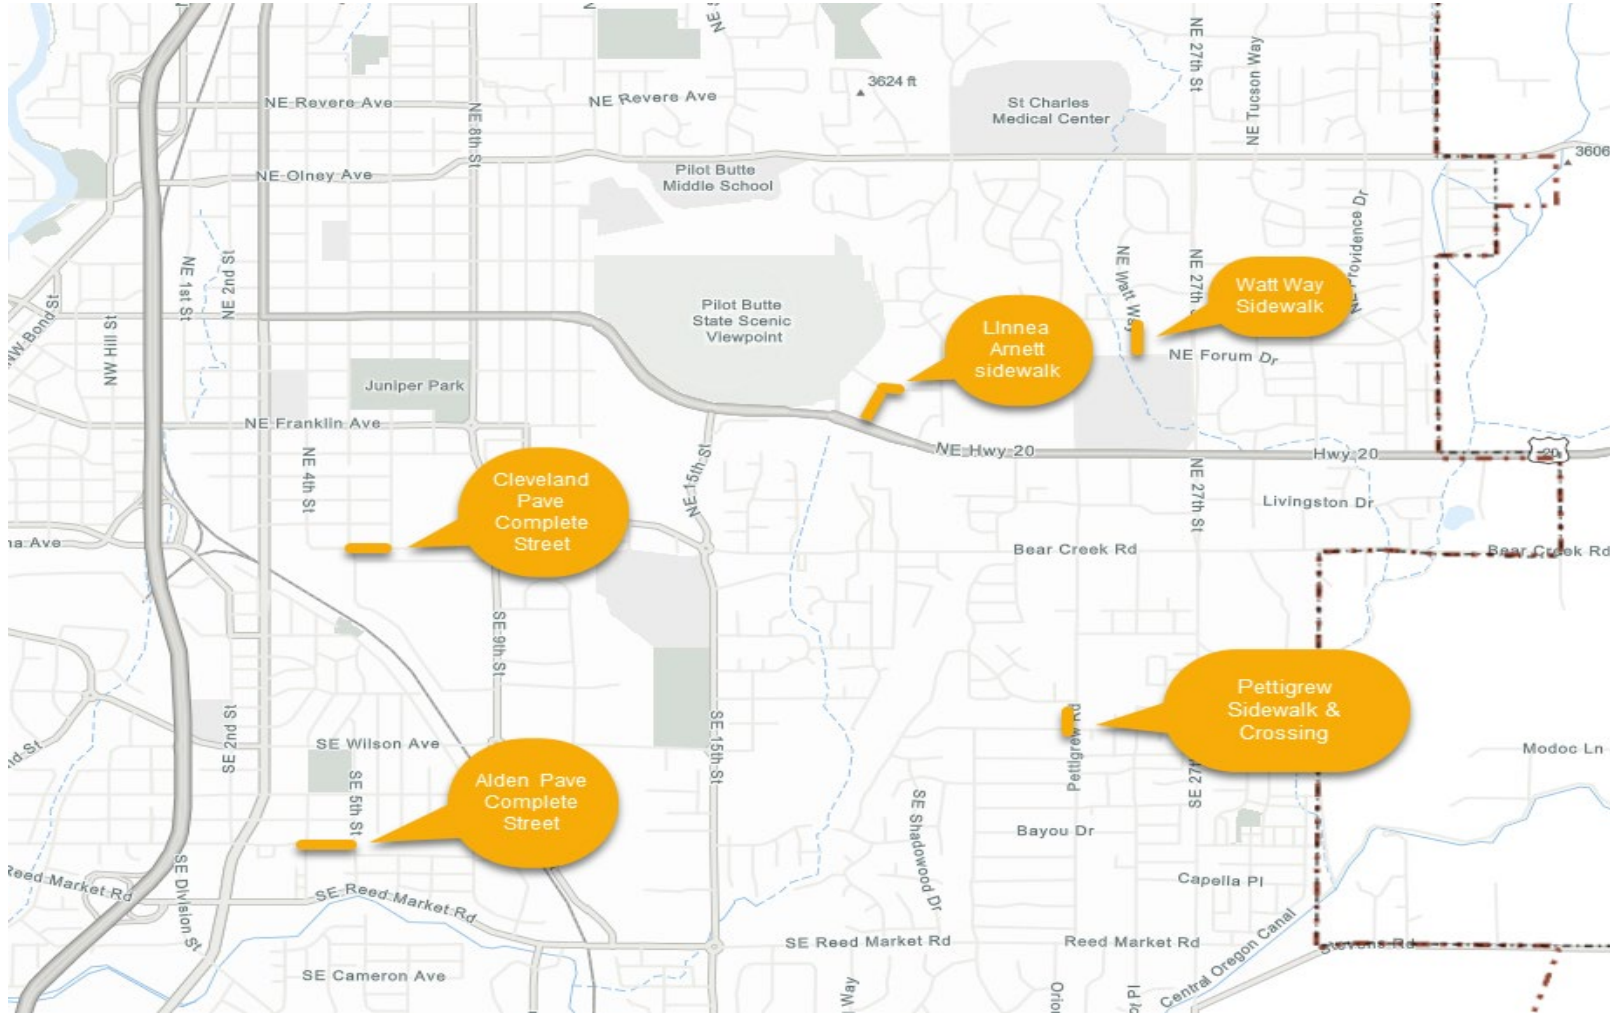

- Alden & Pettigrew are currently gravel roads
- Improved ability to walk & roll on surface streets
- Increased access to Emergency Services

Low Stress Network Improvements

- Linnea/Arnett Way, Cleveland Avenue, & Watt Way have gaps in sidewalk infrastructure
- Adding ADA accessible infrastructure adjacent to affordable housing and transit

Map of Infrastructure Improvements

Why Fund These Improvements?

- 2024 Analysis of Impediments to Fair Housing mentions several community members with physical disabilities self-selecting out of certain neighborhoods due to lacking infrastructure.
- City of Bend does not have the resources to immediately implement these improvements on our own. CDBG funds will allow the City to implement the projects as soon as funds are awarded.
- In-house capacity to deliver these projects, maximizing the impact of the funds, if awarded.
- Increased housing and transportation options for those with limited access to personal vehicles.
