Subject: Re: Bend's Transportation Plan -- Steering Committee Approvals

Thanks for the update.

We were hoping that from Yeoman to Reed Mkt with inclusion of Wells Acres that Purcell Blvd/Pettigrew would enable pedestrians, bicyclists, neighbors to access our schools, parks (Pine Nursery Park and others), the hospital, in addition to shopping and eating. That this design would eventually include Big Sky Park and the Rockridge Community Park too, if we cannot do it now. All close enough to provide for a good bike ride or walk. Please seriously consider our neighborhood collectors as great routes for Green Ways with people in mind. We do need roundabouts at Full Moon, Bear Creek, and others, in addition to a 3 way stop at Lynda Lane and Purcell. Please see other emails, if you want more info I can forward emails to you.
