Subject: Please DO NOT grant the Wood River Village sidewalk waiver

Good afternoon.

I am a resident at [REDACTED], within the boundary of the Southern Crossing Neighborhood Association, and often drive down through Wood River Village on my way to work.

I often see local residents walking on the road there with dogs and children and have actually seen residents shout at cars passing at dangerous speeds to slow down. To my mind, this is a tragedy waiting to happen. Please do NOT grant a waiver to sidewalk development there. This would be a total abdication of your responsibility for public safety and, I believe, would leave the city open to lawsuits.

Thanks for taking the time to read this letter.
