Subject: FUND THE MIDTOWN CROSSINGS

We NEED safe ways to cross the river of cars!! I love this town but I'm a cyclist who moved here from Los Angeles 4 years ago and I'm terrified of 3rd street and the parkway. I rode for decades in one of the most bike unfriendly places on earth and I avoid trying to cross from east to west. That's how bad it is. If an experienced rider like me won't do it, then how can we ever get regular people out of their cars and onto their feet and bikes if there is no safe way to get from one side of town to the other? Please fund these crossings!!

Thank you
