Subject: website is down for tsp@bendoregon.gov

Karen,

- I tried to submit this information on the tsp website and received a mailer daemon message so I'm sending this to you in regards to the transportation plan.
- I support investments in **walking, biking, and transit**, and you're pleased to see that these modes seem to be an emerging priority.
- I would like to see all **bike/ped Key Route investments** moved into the near-term priorities list.
- I want all three **midtown bike/ped connectivity projects**(Greenwood, Hawthorne, and Franklin) to remain near-term priorities.
