- Civil Rights Restoration Act of 1987
 - Title VI applies to all programs and activities of Federal-aid recipients, subrecipients, and contractors whether those programs and activities are federally funded or not.
- All MPO’s are required to have a Title VI Plan - a formal commitment to not discriminate against protected populations.
- The BMPO’s Title VI Plan was last updated in 2019.

Recent Title VI-related Changes at Federal Level

- Executive Orders (EO) rescinded in 2025:
 - **EO 12898 (Environmental Justice)** – Directed federal agencies to evaluate impacts on low-income and minority populations to avoid disproportionate environmental, social, and economic impacts.
 - **EO 13166 (Limited English Proficiency (“LEP”) Populations)** – Intended to improve access to federally funded programs for those who have limited English proficiency. Required federal agencies to review services, identify needed services, and develop and implement a program so LEP populations have meaningful access.
- The BMPO Title VI Plan (2019) included and addressed these EO’s.

Title VI “the law” vs Title VI “the program”

- BMPO’s Title VI Plan has followed FHWA’s Title VI Program
