

ORDINANCE NO. NS- 2414

AN ORDINANCE VACATING PART OF THE 11' WIDE BIKE PATH EASEMENT ESTABLISHED BY THE SUBDIVISION PLAT OF SHEVLIN CENTER RECORDED ON JULY 23, 1981, IN CABINET C, PAGE 27, CITY OF BEND, DESCHUTES COUNTY, OR.

Findings:

- A. In 2020, the Bend Park & Recreation District (BPRD) filed a petition for vacation of a portion of an 11' wide public bike path easement established by the subdivision plat of Shevlin Center, from the intersection of NW Riverside Boulevard and NW Carlon Avenue on the north end, to the former site of the old Colorado Avenue pedestrian bridge on the south end. The petition contained the information required by State law and BC 3.80.020.
- B. On January 20, 2021, the Bend City Council accepted BPRD's petition and directed staff to schedule a public hearing to consider vacating the old, unused bike path easement.
- C. On May 5, 2021 and May 12, 2021, the City published notice of a public hearing on the vacation in The Bulletin, a newspaper of general circulation in the City, per ORS 271.110. On May 4, 2021, notices of the proposed bike path easement vacation were posted at or near each end of the proposed vacation and two conspicuous places within the proposed vacation area. The first publication and posting of the notice occurred not less than 14 days prior to the hearing on the proposed vacation, as required by State law.
- D. The City Council held a public hearing on the proposed vacation on May 19, 2021.
- E. The City has not received objections to the proposed vacation.
- F. BC 3.80.040 states that the City Council, in its sole discretion, on consideration of any factor it determines relevant, must determine whether or not a proposed vacation would be in the public interest. The City Council has determined that the old bike path easement that was dedicated to the public in 1981 is no longer in use. In 2014, the bike path was shifted closer to the Deschutes River, and BPRD acquired a new easement for the relocated path. The old bike path easement contains no sewer, water, gas, electric or telecommunications lines. Furthermore, the old bike path alignment has been restored with lawn. Therefore, the proposed vacation of the old 11' wide public bike path easement is in the public interest.

Based on these findings, THE CITY OF BEND ORDAINS AS FOLLOWS:

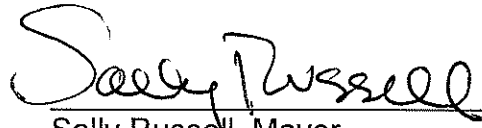

- Section 1. A portion of the 11' wide bike path easement established by the subdivision plat of Shevlin Center in the City of Bend, Deschutes County, Oregon, is vacated as described in Exhibit A and shown in Exhibit B.
- Section 2. The City Recorder is directed to file and record this Ordinance in the Deschutes County Clerk's Office.
