

RESOLUTION NO. 3327

A RESOLUTION AMENDING THE FISCALLY CONSTRAINED TRANSPORTATION SDC PROJECT LIST TABLE C-1

Findings:

A. The City amended the Transportation System Development Charge (SDC) methodology and project lists in 2011.

B. The SDC is based on the City's Fiscally Constrained Transportation SDC Project List (SDC Project List). Because of shifting development patterns within the City, including completion of some projects and changes to how some projects are funded or prioritized, it is appropriate to amend the SDC Project List from time to time. Amending the SDC Project List as shown on Exhibit A, attached, does not change the methodology and will not change the Transportation SDC rate.

Based on these findings, the City of Bend resolves as follows:

Section 1. The Amended Transportation SDC Project List dated June 7, 2023, attached as Exhibit A, is adopted as the SDC Project List for the City of Bend.

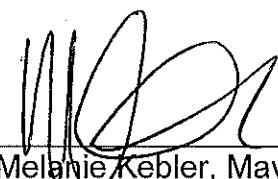

Section 2. No changes are made to the Transportation SDC Methodology. The existing methodology and rates remains in effect.

Section 3. The resolution takes effect immediately on passage.

Adopted by the Bend City Council on June 7, 2023.
