### FINDINGS

The City Council (the "City Council") of the City of Bend, Oregon (the "City") finds the following:

- A. The City is authorized pursuant to the laws of the State of Oregon, including the applicable provisions of Oregon Revised Statutes ("ORS") chapter 287A and the City Charter to issue "revenue bonds" as defined in ORS 287A.010 for any public purpose and to secure those bonds with a pledge of the full faith and credit of the City as provided in ORS 287A.315.
- B. It is financially feasible and in the best interest of the City and will serve a public purpose to issue the City of Bend, Oregon Full Faith and Credit Bonds, Series 2025 (the "Bonds"), in one or more series, from time to time, to (i) finance all or a portion of the costs of transportation infrastructure improvements, (ii) finance all or a portion of the costs of stormwater infrastructure improvements, (iii) finance the acquisition of vehicles and equipment, (iv) finance capital projects including, without limitation, the new Public Works campus, (v) loan funds to the Bend Urban Renewal Agency ("BURA") for eligible projects and (vi) pay costs of issuance of the Bonds, including, without limitation, the funding of any required reserves and payment of costs in connection with obtaining a Credit Enhancement Device (a "Credit Enhancement Device" as defined in ORS chapter 287A) for the Bonds, if beneficial to the City (collectively, the "Project").
- C. The City has multiple series of full faith and credit bonds and obligations currently outstanding ("Refunded Obligations"). For purposes of achieving debt service payment savings or more efficiently managing the City's debt portfolio, the Authorized Representative (as defined herein) may determine to refund, subject to

market conditions, all or a portion of one or more of the Refunded Obligations under the authority of ORS 287A.360 and ORS 287A.365.

D. Upon adoption of this Resolution, the City will cause Notice of the Bonds to be published in The Bend Bulletin, pursuant to ORS 287A.150 and as provided for herein in Section 5, and none of the Bonds may be sold, and no purchase agreement for the Bonds may be executed, until at least sixty (60) days following publication of the notice.

Based on these findings, the City Council resolves as follows:

**SECTION 1. Authorization of the Bonds.** The City Council authorizes the issuance, sale, execution and delivery of the Bonds, in one or more series, together or separately, from time to time, to be designated the "City of Bend, Oregon Full Faith and Credit Bonds, Series 2025" in an aggregate principal amount not to exceed \$105,000,000. The proceeds of the Bonds shall be used for the purpose of financing the Project and refunding the Refunded Obligations. The Bonds may be issued such that interest on the Bonds is tax-exempt or federally taxable, as designated by the Authorized Representative (defined below). The true interest cost on the Bonds issued shall not exceed six percent (6.00%) per annum for Bonds designated as tax-exempt, and the true interest cost shall not exceed seven percent (7.00%) per annum for Bonds designated as federally taxable. The Bonds may be signed with the manual or facsimile signature of an Authorized Representative (defined below) and shall be manually authenticated by the Bond Registrar (defined below). The terms and conditions for the sale, issuance, execution, delivery and administration of the Bonds shall be established consistent with the authorization of this Resolution.

**SECTION 2. Security.** The Bonds shall be secured by and payable from the City's general non-restricted revenues and other funds that are lawfully available for that purpose, including the proceeds of the Bonds and revenues from an ad valorem tax authorized to be levied under the City's permanent rate limit under sections 11 and 11b, Article XI of the Oregon Constitution, and revenues derived from other taxes and fees, if any, levied by the City in accordance with and subject to limitations and restrictions imposed under applicable law or contract, that are not dedicated or restricted or obligated by law or contract to an inconsistent expenditure or use. The City pledges its full faith and credit and taxing powers as contemplated by ORS 287A.315. The owners of the Bonds will not have a lien or security interest in the Project financed with the proceeds of the Bonds or the projects financed by the Refunded Obligations.

**SECTION 3. Refunding the Outstanding Obligations.** Pursuant to ORS 287A.360 and ORS 287A.365, the City authorizes a portion of the proceeds of the Bonds to be applied to refund all or a portion of one or more of the Refunded Obligations.

(n) enter into agreements or other documents with BURA in connection with the loaning of proceeds of the Bonds and providing for the use of tax increment funds to pay a portion of the debt service payments on the Bonds; and
