More detailed information about the application and selection process is contained in the following section.

2. Selection Process

The following process will be used in the City's review and selection of funding proposals for the City's AFFORDABLE HOUSING FEE Fall 2014 Funding Cycle. Approximately \$1,100,000 will be available for qualified projects dependent upon City Council approval.

1. City staff will review each proposal to determine:
 - **Whether the proposal is complete, based on the requirements of this Request for Proposals (RFP),**
 - **Whether the project is eligible for AFFORDABLE HOUSING FEE funding under City of Bend's AFFORDABLE HOUSING FEE Program requirements, and**
 - **Whether the project is consistent with the goals and funding priorities outlined in the City of Bend Consolidated Plan.**

Detailed information regarding the above requirements is contained in this RFP.

2. Proposals will then be reviewed and evaluated by the City of Bend Affordable Housing Advisory Committee. The evaluation criteria that will be used by the Committee in reviewing proposals are contained in Section 6.

The Advisory Committee will score project proposals according to the following formula:

- Project proposals will receive up to 10 points for each of the general criteria outlined in Section 5.2. The maximum score any proposal may receive in this section is 110 points.
- Projects may receive additional points if they meet one of the funding priorities identified in Section 6.3.
 - Projects addressing one of the needs identified as "high priority" will receive an additional 50 points;
 - Projects addressing one of the needs identified as "medium priority" will receive an additional 30 points; and
 - Projects addressing one of the needs identified as "low priority" will receive an additional 20 points.

Projects meeting none of the priority needs will receive no additional points. Projects may fall into only *one* of the above categories.

Projects will be awarded additional points based upon amount of funding that they leverage (percentage of Affordable Housing Fee funds to total project costs per affordable unit).

- 50% and over Affordable Housing Fee funds: 0 Points
- 40% to 50% Affordable Housing Fee funds: 10 Points
- 30% to 40% Affordable Housing Fee Funds: 20 Points
- 20% to 30% Affordable Housing Fee Funds: 30 Points
- Less than 20% Affordable Housing fee Funds: 40 Points

Projects may receive a bonus point dependent upon their proposed repayment schedule:

- Projects with repayment schedule of 3 years or less: 50 Points
- Projects with repayment schedule of 10 years or less: 30 Points
- Projects with repayment schedule of 20 years or less: 20 Points

- Projects with repayment schedule greater than 20 years: 0 points
- Based on the formula outlined above, the maximum number of points any project proposal may receive is 250 points.

During the application review period, applicants will be invited to deliver an oral presentation on their project proposal to the Advisory Committee. Applicants will be allowed approximately 5 minutes to present their proposals, followed by a 5 minute question and answer session.

City staff will have an opportunity to make a formal recommendation to the Advisory Committee regarding project funding eligibility before the Advisory Committee finalizes its funding recommendations.

3. The Advisory Committee's funding recommendations will be forwarded to the City Council for final approval of the AFFORDABLE HOUSING FEE Fall 2014 Funding Cycle
4. The City Council will finalize and approve the City's final funding decisions for the AFFORDABLE HOUSING FEE Fall 2014 Funding Cycle.

4. City of Bend AFFORDABLE HOUSING FEE Program Goals and Objectives

The AFFORDABLE HOUSING FEE funding must be consistent with the program goals outlined in the City of Bend Consolidated Plan. The Consolidated Plan is a five-year housing and community development strategy.

4.1 City of Bend Consolidated Plan Goals

All activities funded through the City's AFFORDABLE HOUSING FEE program must be consistent with Goal One of the City of Bend's 2009-2014 Consolidated Plan:

Goal #1: Affordable Housing Production and Preservation

Funding will be directed toward activities that produce and preserve both renter- and owner-occupied affordable housing. Consideration will be given to projects that accomplish at least one of the following:

- Create new Rental Units
- Home Ownership
- Land Acquisition and Infrastructure Development
- Purchase and Preserve existing Low Income Housing
- Transitional Housing
- Permanent Supportive Housing for Homeless

4.2 City of Bend Policy on Grants and Loans

In order to allow the AFFORDABLE HOUSING FEE Program to grow over time and to have a greater long-term impact on the community, the City of Bend has a policy of providing AFFORDABLE HOUSING FEE assistance in the form of loans, rather than grants.

For Rental Projects Loans shall have a base rate of 3% with a term of 20 years. However, these may be adjusted on a case by case basis to meet the needs of the individual project as determined by the Loan Committee.

For Home Ownership Projects Loans shall have a base rate of 3% with a term of 30 years. However, these may be adjusted on a case by case basis to meet the needs of the individual project as determined by the Loan Committee.

Short term loans, such as construction financing, for periods of less than five years may receive funding at lower interest rates and may have payments deferred upon approval by the Loan Committee.

Under extraordinary conditions, and after all other project funding has been secured, the Loan Committee may approve modifications of the above terms to accommodate a project's specific needs. Modifications may include:

- Loans may be negotiated for interest rates or terms lengths other than the standard loan terms noted above.
- Projects may receive funding in the form of deferred payment loans due upon sale or transfer of the property.

Such modifications will only be allowed if it can be shown that the City's standard terms regarding grants and loans would cause undue hardship to the applicant or would preclude the successful implementation and/or completion of the project. It is the responsibility of the project applicant to provide sufficient evidence to the City that the requested modifications are necessary in order for the project to be completed.

5. Evaluation Criteria and Funding Priorities

The evaluation criteria outlined in this section have been developed to be consistent with priorities of the City of Bend 2014 -- 2019 Consolidated Plan, and City's AFFORDABLE HOUSING FEE funding priorities. All proposals will be reviewed using these criteria.

5.1 Consolidated Plan Goals and Objectives

Only those projects addressing Goal #1 identified in the Consolidated Plan (listed in Section 4.1) and at least one of the objectives associated with these goals will be considered for AFFORDABLE HOUSING FEE funding. Please review the Consolidated Plan goals and objectives to ensure that your project is consistent with these goals and objectives before submitting a project proposal.

5.2 General Criteria

In reviewing and evaluating proposals consideration/priority will be given to the following:

- Projects that successfully maximize utilization of outside (non-AFFORDABLE HOUSING FEE) funds and services (including cash contributions, in-kind contributions, and volunteers).
- Projects that do not duplicate existing services and that effectively utilize/maximize partnerships with other organizations and agencies.
- Projects that are sponsored by organizations or agencies that can demonstrate that they have the staff capability and capacity to successfully implement the proposed project.
- Projects that are clearly defined and realistic in scope, location, need, budget, and goals.
- Projects that demonstrate a clear and effectual plan for evaluating the progress of the project toward addressing the identified need or problem.
- Projects that utilize a proven effective strategy to improve conditions or solve an identified problem.
- Projects that can demonstrate readiness to be implemented in a timely manner once the AFFORDABLE HOUSING FEE funds are awarded.
- Projects that have strong neighborhood/community support, with sufficient evidence illustrating this support.
- Projects that will require a one-time only infusion of funds.
- Projects that will have a sustainable long-term impact, secured by deed restrictions, land trusts or other mechanisms.
- Projects that do not result in the permanent displacement or relocation of current occupants from their homes or rental units in order to create additional affordable housing.

5.3 City of Bend Funding Priorities

To assist with the allocation of resources in meeting the above goals, the City has established the following funding priorities. While the City recognizes that all of the objectives identified in the Consolidated Plan are critical issues for the City to address over the 5-year Consolidated Plan period, project proposals addressing higher priority needs will score higher. Depending on the pool of proposals, however, projects in the low priority category may be funded.

High Priority

- Increase the supply of affordable rental housing that is available to moderate (100% median), low (80% median)-, very low (50% median)- and extremely low (30% median) income.
- Increase homeownership opportunities for moderate (100% median), low (80% median)- and very low (50% median) income.
- Homeless Shelter Development
- Land Acquisition and Infrastructure Development
- Architectural Barrier removal/rehabilitation for disability services
- Purchase and preserve existing low income housing
- Transitional Housing

Low Priority

- Permanent Supportive Housing for Homeless

6. Rules and Requirements for Recipients

City staff will be available to provide technical assistance in determining which regulations apply to each project and interpreting the relevant regulations. However, recipients will be responsible for satisfying these requirements, documenting how the requirements are being satisfied, and reporting to the City on how these requirements are being satisfied.

6.1 Written agreements

Each recipient will be required to enter into a written agreement with the City that requires compliance with all AFFORDABLE HOUSING FEE terms applicable to the project, and with the RFP, the proposal, and any modifications and conditions imposed by the City. The following summarizes the types of records that must be maintained to show that the targeted populations/areas are being served. A complete listing of record-keeping requirements is available from City staff and will be included in the grant agreement between the City and the applicant. The City will provide forms to recipients to assist them in satisfying this requirement.

Benefit to Low- and Moderate-Income Persons

For all projects, recipients will be required to maintain records and documentation including, but not limited to:

- Documentation showing the income characteristics of persons in the service area,
- Documentation demonstrating that the activity is designed for and used by a segment of the population presumed by HUD to be low- or moderate-income,
- Information on the total number of dwelling units in multi-family structures that are occupied by low- and moderate-income households.

6.3 Other Requirements

In addition to the record-keeping and reporting requirements outlined above, AFFORDABLE HOUSING FEE-funded projects may also be subject to other requirements. The following is a brief summary of additional requirements that may apply to each project.
