

Frequently Asked Questions (FAQs) as of 11-9-2023

- 1) Although we plan to treat it as a single project with Franklin, do we need to have separate commitments for accessible and very low-income (30-50 AMI) units? Or, can they be viewed under one lens?*

Separate commitments for accessible and very-low income (30-50 AMI) units are required. While your intentions are to treat it as a single project with Franklin, scoring will be based on this Bear Creek application only.
