SUBMITTAL REQUIREMENTS

The following information and materials should be included in all proposals submitted:

A. Offering Price and Financing

A narrative of the price offered for the property and project financing including projected equity and debt availability and requirements. This section must be clear and detailed with proformas as to how the project will be financed, proving feasibility of the project and evidence of commitment of funding partners. Applicant is to show status of proposed funding commitments for project.

B. Description of Project

A description of the development concept including square footage of units, number of bedrooms for each unit, number and make-up of units, on-site amenities, home styles and finishes, and income levels of occupants.

C. Provide drawings/site plans which depict the proposed development of the site.

D. Composition of Development Team

Provide resumes of key individuals and qualifications and mission statements of the entity/company and the planned roles of each in the development of the project.

E. Schedule

A projection of the timeline for the development of the property including any phasing of the development and proposed timing for turn-key of the homes to the eventual owners.

The City expects this site to be developed according to the plans and proposal submitted by applicant. The City reserves the right to approve any substantive modifications to the plans as proposed by the successful applicant. The City will require an agreement between the parties, stating that if the property is not developed and is subsequently sold, or listed for sale, the City shall have the right of re-entry and will take ownership of the property at that time.

Proposers should contact both the City of Bend Planning Department regarding zoning and development issues and the City of Bend Engineering Department regarding construction access to the site, coordination with road development and potential time delays on site development. Property currently is only allowed access off of Thornhill Lane, on the Northeast Corner of the property. Developer may be required to install temporary emergency vehicle access to 27th street.

SELECTION PROCESS

Following staff evaluation the proposals meeting the minimum criteria will be forwarded to the City of Bend Affordable Housing Advisory Committee for review, evaluation and scoring. The Affordable Housing Advisory Committee will then forward their recommendations to City Council for final approval.

Council reserves the right to sell to one developer or to sell any portion thereof.

The applicant with the proposal deemed to be the best as determined by the Council will be invited to enter into a Purchase and Sale Agreement for the

Property. The Council may ask applicant to make a presentation, however, the Council reserves the right not to request a presentation and enter directly into negotiations with the applicant delivering the best proposal.

If a satisfactory agreement cannot be negotiated in a timely manner with the applicant selected, then the Council may terminate negotiations, and the applicant submitting the second best proposal may be invited to enter into a Purchase and Sale Agreement for the property.

The Council reserves the right to accept and consider proposals even if the applicant has not submitted all information requested or suggested and reserves the right to reject any and all submittals in response to this RFP without cause.

CONFLICT OF INTEREST

Oregon State law requires any public official taking any official action, including discussion or deliberation toward a decision that might or would result in financial gain to that individual, a relative or to a business with which either the official or relative is associated, to publicly disclose a relationship that could potentially result in some financial gain and to not participate in any action where a financial gain is known to exist. No contact with any Bend Affordable Housing Advisory Committee members or Bend City Council members should be made other than in the course of the regular selection process.
