RETURN ON INVESTMENT

These programs deliver measurable financial returns.

Oregon's investment in workforce readiness has already proven to reduce state costs and boost revenue.

- **\$35 million investment will generate \$23.1 million in new tax revenue from increased earnings and \$195.4 million in reduced social services costs. That amounts to an estimated total annual financial benefit to the state and taxpayers of \$219 million.**

\$219 million benefit to taxpayers

BEDAB Grant Ideas

Employee Advancement Grants

- Developed a simple and brief online application process with bi-monthly awards
- \$1,000-\$20,000 matching grants
- Focus on upskilling incumbent workers
- Ideally leads to an opportunity for advancement and wage gains within their company, as well as those that create opportunities to backfill positions with new employees
