February 2025 Revenue Report

Projected Revenue for Major Revenue Categories for Fiscal Year 2024-25

Fiscal Year 2024-2025 Projected Revenue Explanations:

- Franchise Fee revenue projections are 38% above budget due to energy provider collections continuing to increase beyond forecasts at the time of budget development and energy provider rate increases.
- Room Tax revenue projections are 5% lower than budget due to lower than expected travel and visitor occupancy rates than forecasted at the time of budget development.
- State Shared revenue projections are 21% lower than budget due to lower than expected collections from the state related to cigarette and liquor sales, and other shared revenues.
- Water revenue projections are 3% lower than budget due to lower than expected customer growth than was forecasted at the time of budget development.
- Water and Transportation SDC revenue projections are 19% and 29% higher than budget due to higher than expected collections from development projects received to date this fiscal year.
