

Brookwood Blvd. closing mid-May for three months

Brookwood Boulevard between Pinebrook Boulevard and Lodgepole Drive will be closed from May 14 thru September 4, 2015 to allow construction of a roundabout that will connect to the new Murphy Road extension. Residents who live on Finchwood Drive and Wrenwood Place will continue to have access to their homes during construction.

During the closure, traffic will be diverted to Baker Road and U.S. Highway 97 (see detour map below). To learn more about the project and the closure, an informational Open House is planned for April 30, 2015.

Why not try a different mode of transportation? Commute Options can help!

During construction Commute Options invites you to try sharing the ride, getting there by foot or taking the trip on a bicycle or by bus. This helps reduce traffic congestion and gets you where you need to go.

Check out www.drivelessconnect.com to get started. Once you are registered, you can calendar your trips and find a ride match. This free and secure website is hosted by ODOT and works great for your regular commute trip and one time adventures for shopping, dining and entertainment.
