**Subject:** Re: Bend's Transportation Plan: Update

Thank you for keeping us informed on the transportation updates. We won't be back to Bend until the end of March. We are in favor of an East/west bypass and more parking for downtown visitors. The City could grow to the north and there would be less traffic with a bypass and less traffic downtown. Please pass on our thoughts and thank the committee.

Sincerely,  
Ingimar and Judy Thorgeirsson
