

Wilson Project - Final Phase

CONSTRUCTION BEGINS SPRING 2026*

As previously communicated, the Wilson Avenue Corridor Project is preparing for its final phase of railroad-related construction to complete key improvements that enhance safety and strengthen east-west connectivity for everyone traveling between Second Street and 15th Street. We appreciate your patience and support as we bring this important project to completion.

FINAL PHASE - Railroad Work

To complete the final phase of improvements on the Wilson corridor, construction at and around the railroad crossing is expected to begin in early spring. Active coordination between the City and Burlington Northern Santa Fe (BNSF) Railway will continue to ensure the remaining project work is completed.
