

Bend Police Department Quarterly Report — Q4

Automated Traffic Enforcement to begin in January

In 2024, the Bend City Council directed the Bend Police Department to begin implementing an Automated Traffic Enforcement program that would add red light and speed cameras at certain intersections throughout the City of Bend.

Earlier this year, Bend Police selected Verra Mobility as its partner in the implementation of this program. Verra Mobility will place and maintain the cameras in three initial locations: NE 27th Street and Neff Road, SE Third Street and Reed Market Road, and SE Powers Road and Business 97.

At this time, the schedule indicates that the cameras will go live and warnings will be issued beginning on Jan. 30, and citations will begin being mailed out on March 3. That schedule may change depending on permitting and other factors.

State law requires that we place signs at the entrances to the City of Bend, as well as near the intersections where cameras will be located, in order to alert drivers to the automated traffic enforcement taking place here.

We're doing this for one reason: our community safety. The most common complaint we hear from the public is dangerous behaviors on our roadways, including speeding, running red lights and distracted driving because of cell phones. This program will supplement traditional traffic enforcement by officers—it will not replace that enforcement.

Our goal is to see a decrease in crashes at these intersections, and an overall drop in speed complaints as well. If you are ticketed, you will face a fine of between \$165 and \$440.

AUTOMATED TRAFFIC ENFORCEMENT

For a Safer Bend

**CITY OF BEND
POLICE**

Those citations will be issued through the mail after evidence is reviewed by a law enforcement officer, and the ticketing process will run through the Bend Municipal Court, just as other traffic violations do.

We appreciate our community members all working together to keep our roads safe for everyone.

Meet Sanford, the Bend Police Department’s new Support K9

The Bend Police Department is thrilled to introduce you to Sanford, our new support K9. Sanford came to us from Guide Dogs of the Desert, and is trained to detect cortisol and provide support to our team members as well as to crime victims and other members of our community.

This standard poodle sure looks goofy, but we can assure you he’s very fluffy and eager to make new friends. He’s a gentle fellow who was a little too social for life as a guide dog. If you see him out around town, check out his vest – it says, “pet me,” and he means it!

Sanford lives at the Bend Police Department. He does not have a single handler—instead, he has a variety of people caring for him and ensuring his health and safety.

We look forward to sharing more of Sanford’s antics as he continues to settle in at the Department. In the meantime, we are hiding our trash cans, teaching him the joys of shift work and taking him on lots of walks. He’s quite an addition to the Department!

SPIDR TECH RESULTS, OCT. 1, 2025 THROUGH DEC. 23, 2025

Bend Police uses a service called SPIDR Tech that follows up with the people who have contact with our officers to measure their level of satisfaction with our service. Below are the results from the fourth quarter of 2025.

<div>THE OFFICER LISTENED TO ME.</div> <div>4.81 OF 5</div> <div>FROM 402 RESPONSES</div>	<div>THE OFFICER TREATED ME WITH RESPECT.</div> <div>4.85 OF 5</div> <div>FROM 401 RESPONSES</div>
<div>THE OFFICER TREATED ME FAIRLY.</div> <div>4.84 OF 5</div> <div>FROM 401 RESPONSES</div>	<div>THE OFFICER COMMUNICATED CLEARLY.</div> <div>4.85 OF 5</div> <div>FROM 401 RESPONSES</div>
<div>THE OFFICER PROVIDED USEFUL INFORMATION.</div> <div>4.61 OF 5</div> <div>FROM 399 RESPONSES</div>	<div>THE OFFICER HELPED RESOLVE THE PROBLEM.</div> <div>4.32 OF 5</div> <div>FROM 400 RESPONSES</div>
<div>OVERALL, HOW SATISFIED WERE YOU WITH BPD’S RESPONSE TO YOUR RECENT CALL?</div> <div>4.60 OF 5</div> <div>FROM 401 RESPONSES</div>
