Aubrie Koenig, Facilitator

Agenda

Purpose: *Discuss stormwater maintenance agreement approach and related educational materials. Introduce Water Reclamation Facility planning, role in water resources, and June tour.*

1. **Welcome and Introduction** – 10 mins
 - a. April meeting reflections
 - b. June tour logistics (RSVP, transport, timing)
2. **100 Years of Water Update** – 5 mins
 - a. Video showing value of water for local business
 - b. Public Works Open House May 14, Field Day June 13
3. **Stormwater Program Update** – 25 mins, Elisabeth
 - a. Provide update on stormwater program
 - b. Share private maintenance agreement reporting results and approach
 - c. Discuss education materials, resources, and next steps
 - d. **Discussion questions:**
 - i. *What additional communication, outreach, or educational tools from the City would make it easier to understand responsibilities of maintenance agreements?*

- ii. *Should the City charge an inspection fee for conducting inspection of privately owned facilities with delinquent annual reports?*
 - iii. *How should the City handle inspection and maintenance of private facilities in subdivisions where there is no coordinating body/HOA?*
- 4. **Water Reclamation Facility Planning – 45 mins, Dade**
 - a. Highlight Water Reclamation Facility role in water resources
 - b. Share an overview of current planning effort
 - c. **Discussion questions:**
 - i. *From your perspective, does the information provided on the facility planning process feel sufficient, or are there areas where additional detail would strengthen it?*
 - ii. *Would you advise expanding the discussion of deficiencies, analyses, or findings, or does the current level of detail seem appropriate for this stage?*
 - iii. *Do you think the description of the proposed or anticipated solutions is detailed enough, or are there parts you'd recommend we elaborate on?*
- 5. **Summary and Closing – 5 mins**
 - a. Next meeting: June 3, 2026
