|       |          |                                                                                               |
|-------|----------|-----------------------------------------------------------------------------------------------|
| _____ | _____    | <b>Integrity:</b> Major alterations or additions? New materials? Altered setting? Moved? etc. |
| OK    | Concerns |                                                                                               |

|       |          |                                                                                                                                    |
|-------|----------|------------------------------------------------------------------------------------------------------------------------------------|
| _____ | _____    | <b>Description:</b> Is the property adequately described? Have contributing and non-contributing features been clearly identified? |
| OK    | Concerns |                                                                                                                                    |

|       |          |                                                                                                                                                                                                                                                         |
|-------|----------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| _____ | _____    | <b>Significance and Context:</b> Has the appropriate criterion been used? Has it been justified? Is the context sufficient in breadth and depth to support the claims of significance? Is the narrative history complete and of the appropriate detail? |
| OK    | Concerns |                                                                                                                                                                                                                                                         |

|       |          |                                                                                                        |
|-------|----------|--------------------------------------------------------------------------------------------------------|
| _____ | _____    | <b>Facts and Sources:</b> Are the appropriate and best sources used? Are key dates and facts accurate? |
| OK    | Concerns |                                                                                                        |

|       |          |                                                                                 |
|-------|----------|---------------------------------------------------------------------------------|
| _____ | _____    | <b>Technical:</b> Typos, grammar, organization, and flow of the narrative, etc. |
| OK    | Concerns |                                                                                 |

|       |          |                                                                     |
|-------|----------|---------------------------------------------------------------------|
| _____ | _____    | <b>Supporting Materials:</b> Adequate photos, maps, drawings, etc.? |
| OK    | Concerns |                                                                     |
