

CITY OF BEND CONSTRUCTION PROJECTS

June 2026

1. **Bear Creek and 27th Street Improvements**

Single-lane roundabouts at Bear Creek Road, Pettigrew Road, and Purcell Boulevard shared-use paths on Bear Creek Road and 27th Street, plus water and wastewater upgrades.
Closure: Jan. 1, 2026 - Dec. 31, 2026

2. **Butler Market and Wells Acres Roundabout and Key Route**

Intersection upgrades at Butler Market and Wells Acres include a new roundabout and sewer line.
Closure: Through late fall 2026

3. **Wilson Corridor Improvements**

A multi-phase modernization project improving safety and east-west connectivity.
Closure: April 27, 2026 - July 2026

4. **Galveston Corridor Project**

Reconstructs Galveston Avenue from 14th Street to the Deschutes River with a 3-lane hybrid design.
Closure: June 15, 2026 - May 2027

5. **Franklin Avenue Improvements**

The NE Franklin Avenue Corridor Project will reduce conflict points and calm traffic to improve safety for all users and also replaces aging waterlines and stormwater infrastructure during construction.
Closure: June 15, 2026 - June 2027

6. **Ferguson and 15th Roundabout**

Single lane roundabout construction at intersection of Ferguson Road and 15th Street.
Closure: June 2026 - fall 2026

7. **Second Street Waterline Improvement**

Replace aging pipes along 2nd Street and Lafayette Avenue.
Closure: June 30 - Oct. 29, 2026

8. **Neff Pedestrian and Bicycle Improvements**

Combines three Transportation System Plan 'key route' projects along NE Neff Road and NE Norton Avenue.
Closure: June 2026 - summer 2027

9. **Cooley Sewer Improvements**

Extend Cooley Road to the east from the limits of Juniper Ridge to Deschutes Market Road. Road alignment should follow the alignment of the North Interceptor Sewer Line.
Closure: June 2026 - Sept. 2026

10. **Brosterhaus/Azalia Windsor Septic to Sewer**

Extends sewer service to 52 properties through the construction of ~2,345 feet of gravity sewer main in the Windsor area and ~1,650 feet of pressure sewer main in the Azalia area.
Closure: July 2026 - Sept. 2026

11. **Reed Market and 15th Roundabout Improvements**

Improvements to the roundabout will aim to reduce congestion and make easier navigation.
Closure: Winter 2027 - Winter 2027

12. **Hawthorne Bridge**

Dedicated bridge for both bicycle and pedestrian traffic, over US 97 and the railroad tracks.
Closure: Fall 2027 - fall 2028

13. **Reed Market Bridge Project**

Improvements to the Reed Market Road railroad overcrossing, enhancing travel time reliability.
Closure: Late 2027 - late 2029

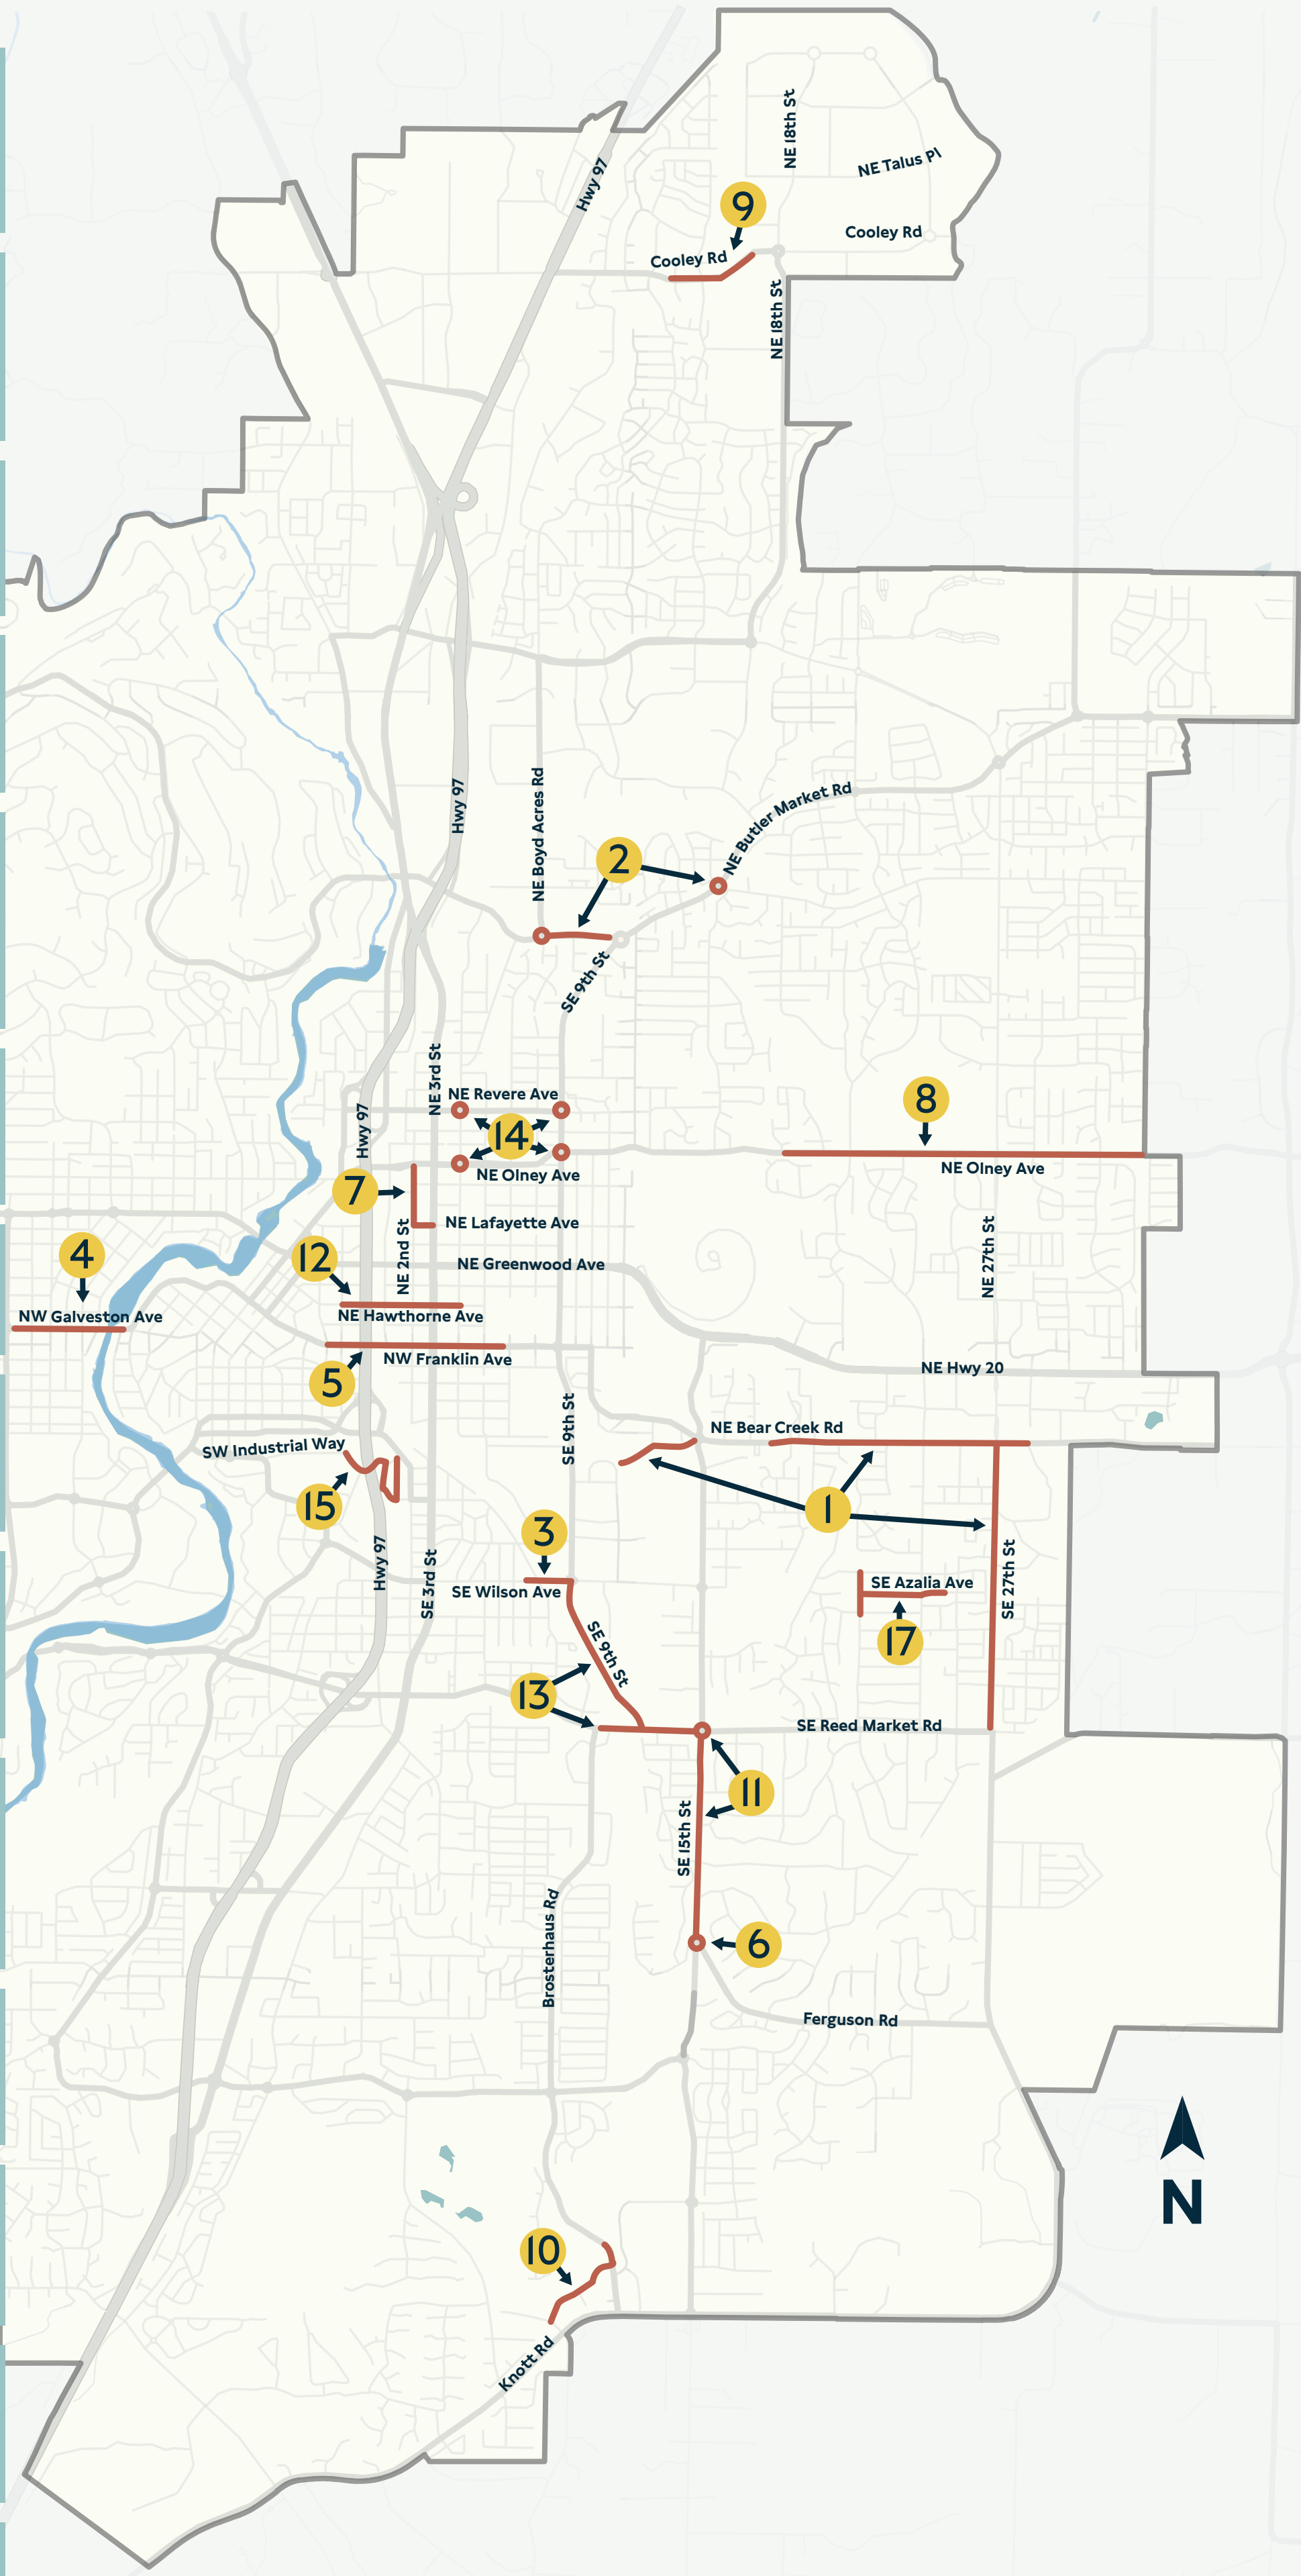

14. **Olney and Revere Intersections**

Traffic-flow improvements at four intersections in the Orchard Neighborhood District to ensure the road system operates well as a whole and to reduce construction impacts on nearby neighborhoods and travelers. Phased construction schedule.
Closure: 2027 - 2028

15. **Aune Street Extension**

East-West connectivity for all travel options between 3rd Street and Bond Street.
Closure: TBD
